Introduction

We are pleased to provide you with this Summary Plan Description (SPD). This SPD describes your Benefits, as well as your rights and responsibilities, under the Plan.

How to Use this Document

We encourage you to read your SPD and any attached Riders and/or Amendments carefully.

We especially encourage you to review the Benefit limitation of this SPD by reading (Section 1: What's Covered--Benefits) and (Section 2: What's Not Covered--Exclusions). You should also carefully read (Section 9: General Legal Provisions) to better understand how this SPD and your Benefits work. You should call the Claims Administrator if you have questions about the limits of the coverage available to you.

Many of the sections of the SPD are related to other sections of the document. You may not have all of the information you need by reading just one section. We also encourage you to keep your SPD and any attachments in a safe place for your future reference.

Please be aware that your Physician does not have a copy of your SPD and is not responsible for knowing or communicating your Benefits.

Information about Defined Terms

Because this SPD is a legal document, we want to give you information about the document that will help you understand it. Certain capitalized words have special meanings. We have defined these words in (Section 10: Glossary of Defined Terms). You can refer to Section 10 as you read this document to have a clearer understanding of your SPD.

When we use the words "we," "us," and "our" in this document, we are referring to the Plan Sponsor. When we use the words "you" and "your" we are referring to people who are Covered Persons as the term is defined in (Section 10: Glossary of Defined Terms).

Your Contribution to the Benefit Costs

The Plan may require the Participant to contribute to the cost of coverage. Contact your benefits representative for information about any part of this cost you may be responsible for paying.

Customer Service and Claims Submittal

Please make note of the following information that contains Claims Administrator department names and telephone numbers.

Customer Service Representative (questions regarding Coverage or procedures): As shown on your ID card.

Prior Notification: As shown on your ID card.

Mental Health/Substance Abuse Services Designee: As shown on your ID card.
Claims Submittal Address:

Section 1: What's Covered--Benefits

This section provides you with information about:

- Accessing Benefits.
- Copayments and Eligible Expenses.
- Covered Health Services. We pay Benefits for the Covered Health Services described in this section unless they are listed as not covered in (Section 2: What's Not Covered--Exclusions).
- Covered Health Services that require you or your provider to notify the Claims Administrator before you receive them. In general, Network providers are responsible for notifying the Claims Administrator before they provide certain health services to you. You are responsible for notifying the Claims Administrator before you receive certain health services from a non-Network provider.

Accessing Benefits
You can choose to receive either Network Benefits or Non-Network Benefits.

You must show your identification card (ID card) every time you request health care services from a Network provider. If you do not show your ID card, Network providers have no way of knowing that you are enrolled under the Plan. As a result, they may bill you for the entire cost of the services you receive. For details about when Network Benefits apply, see (Section 3: Description of Network and Non-Network Benefits).

Benefits are available only if all of the following are true:

- Covered Health Services are received while the Plan is in effect.
- Covered Health Services are received prior to the date that any of the individual termination conditions listed in (Section 8: When Coverage Ends) occurs.
- The person who receives Covered Health Services is a Covered Person and meets all eligibility requirements specified in the Plan.

Depending on the geographic area and the service you receive, you may have access to non-Network providers who have agreed to discount their charges for Covered Health Services. If you receive Covered Health Services from these providers, and if your Copayment is expressed as a percentage of Eligible Expenses for Non-Network Benefits, that percentage will remain the same as it is when you receive Covered Health Services from non-Network providers who have not agreed to discount their charges; however, the total that you owe may be less when you receive Covered Health Services from other non-Network providers, because the Eligible Expenses may be a lesser amount.

Copayment
Copayment is the amount you pay each time you receive certain Covered Health Services. For a complete definition of Copayment,
see (Section 10: Glossary of Defined Terms). Copayment amounts are listed on the following pages next to the description for each Covered Health Service. Please note that when Copayments are calculated as a percentage (rather than as a set dollar amount) the percentage is based on Eligible Expenses.

**Eligible Expenses**

Eligible Expenses for Covered Health Services, incurred while the Plan is in effect, are determined by us or by our designee. In almost all cases our designee is the Claims Administrator. For a complete definition of Eligible Expenses that describes how payment is determined, see (Section 10: Glossary of Defined Terms).

We have delegated to the Claims Administrator the discretion and authority to determine on our behalf whether a treatment or supply is a Covered Health Service and how the Eligible Expense will be determined and otherwise covered under the Plan.

When you receive Covered Health Services from Network providers, you are not responsible for any difference between the Eligible Expenses and the amount the provider bills. When you receive Covered Health Services from non-Network providers, you are responsible for paying, directly to the non-Network provider, any difference between the amount the provider bills you and the amount we will pay for Eligible Expenses.

**Notification Requirements**

Prior notification is required before you receive certain Covered Health Services. In general, Network providers are responsible for notifying the Claims Administrator before they provide these services to you. There are some Network Benefits, however, for which you are responsible for notifying the Claims Administrator.

When you choose to receive certain Covered Health Services from non-Network providers, you are responsible for notifying the Claims Administrator before you receive these Covered Health Services.

Services for which you must provide prior notification appear in this section under the Must You Notify the Claims Administrator? column in the table labeled Benefit Information.

To notify the Claims Administrator, call the telephone number on your ID card.

When you choose to receive services from non-Network providers, we urge you to confirm with the Claims Administrator that the services you plan to receive are Covered Health Services, even if not indicated in the Must You Notify the Claims Administrator? column. That's because in some instances, certain procedures may not meet the definition of a Covered Health Service and therefore are excluded. In other instances, the same procedure may meet the definition of Covered Health Services. By calling before you receive treatment, you can check to see if the service is subject to limitations or exclusions such as:

- The Cosmetic Procedures exclusion. Examples of procedures that may or may not be considered Cosmetic include: breast reconstruction (except for after cancer surgery when it is always considered a Covered Health Service); vein stripping, ligation and sclerotherapy, and upper lid blepharoplasty.
- The Experimental, Investigational or Unproven Services exclusion.
- Any other limitation or exclusion of the Plan.
Special Note Regarding Medicare

If you are enrolled for Medicare on a primary basis (Medicare pays before we pay Benefits under the Plan), the notification requirements described in this SPD do not apply to you. Since Medicare is the primary payer, we will pay as secondary payer as described in (Section 7: Coordination of Benefits). You are not required to notify the Claims Administrator before receiving Covered Health Services.

**1. Ambulance Services - Emergency only**

Emergency ambulance transportation by a licensed ambulance service to the nearest Hospital where Emergency Health Services can be performed.

- **Network**
  - No Copayment
  - Ground Transportation: No Copayment
  - Air Transportation: No Copayment

- **Non-Network**
  - No Copayment

**2. Dental Services - Accident only**

Dental services when all of the following are true:

- Treatment is necessary because of accidental damage.
- Dental services are received from a Doctor of Dental Surgery, "D.D.S." or Doctor of Medical Dentistry, "D.M.D.".
- The dental damage is severe enough that initial contact with a Physician or dentist occurred within 72 hours of the accident.

Benefits are available only for treatment of a sound, natural tooth.

- A virgin or unrestored tooth, or

- The Physician or dentist must certify that the injured tooth was:
  - A virgin or unrestored tooth, or
A tooth that has no decay, no filling on more than two surfaces, no gum disease associated with bone loss, no root canal therapy, is not a dental implant and functions normally in chewing and speech.

Dental services for final treatment to repair the damage must be both of the following:

- Started within three months of the accident.
- Completed within 12 months of the accident.

Please note that dental damage that occurs as a result of normal activities of daily living or extraordinary use of the teeth is not considered an "accident". Benefits are not available for repairs to teeth that are injured as a result of such activities.

**Notify the Claims Administrator**

Please remember that you must notify the Claims Administrator as soon as possible, but at least five business days before follow-up (post-Emergency) treatment begins. (You do not have to provide notification before the initial Emergency treatment.) If you don't notify the Claims Administrator, Benefits will be reduced to 50% of Eligible Expenses not to exceed $500.
### 3. Durable Medical Equipment

Durable Medical Equipment that meets each of the following criteria:

- Ordered or provided by a Physician for outpatient use.
- Used for medical purposes.
- Not consumable or disposable.
- Not of use to a person in the absence of a disease or disability.

If more than one piece of Durable Medical Equipment can meet your functional needs, Benefits are available only for the most cost-effective piece of equipment.

Examples of Durable Medical Equipment include:

- Equipment to assist mobility, such as a standard wheelchair.
- A standard Hospital-type bed.
- Oxygen and the rental of equipment to administer oxygen (including tubing, connectors and masks).
- Delivery pumps for tube feedings (including tubing and connectors).
- Braces, including necessary adjustments to shoes to accommodate braces. Braces that stabilize an Injured body part and braces to treat curvature of the spine are considered Durable Medical Equipment and are a Covered Health Service. Braces that straighten or change the shape of a body part are orthotic.

- Mechanical equipment necessary for the treatment of chronic or acute respiratory failure (except that air-conditioners, humidifiers, dehumidifiers, air purifiers and filters, and personal comfort items are excluded from coverage).

We and the Claims Administrator will decide if the equipment should be purchased or rented. To receive Network Benefits, you must purchase or rent the Durable Medical Equipment from the vendor the Claims Administrator identifies.

**Notify the Claims Administrator**

Please remember that for Non-Network Benefits you must notify the Claims Administrator before obtaining any single item of Durable Medical Equipment that costs more than $1,000 (either purchase price or cumulative rental of a single item). If you don't notify the Claims Administrator, you will be responsible for paying all charges and no Benefits will be paid.

Please note that Benefits are not available for charges connected to the purchase or fitting of eyeglasses or contact lenses.

Non-Network Benefits are covered for medical conditions only. For coverage see Physician’s Office Services.

### 6. Home Health Care

Services received from a Home Health Agency that are both of the following:

- Ordered by a Physician.
- Provided by or supervised by a registered nurse in your home.

Benefits are available only when the Home Health Agency services are provided on a part-time, intermittent schedule and when skilled care is required.

Skilled care is skilled nursing, skilled teaching, and skilled rehabilitation services when all of the following are true:

- It must be delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome, and provide for the safety of the patient.
- It is ordered by a Physician.
- It is not delivered for the purpose of assisting with activities of daily living, including but not limited to dressing, feeding, bathing or transferring from a bed to a chair.
• It requires clinical training in order to be delivered safely and effectively.

• It is not Custodial Care.

We and the Claims Administrator will decide if skilled care is required by reviewing both the skilled nature of the service and the need for Physician-directed medical management. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Any combination of Network and Non-Network Benefits is limited to 8 hours of service per 24 hour period.

Notify the Claims Administrator
Please remember that for Non-Network Benefits you must notify the Claims Administrator five business days before receiving services. If you don't notify the Claims Administrator, Benefits will be reduced to 50% of Eligible Expenses.

7. Hospice Care
Hospice care that is recommended by a Physician. Hospice care is an integrated program that provides comfort and support services for the terminally ill. Hospice care includes physical, psychological, social and spiritual care for the terminally ill person, and short-term grief counseling for immediate family members. Benefits are available when hospice care is received from a licensed hospice agency.

Please contact the Claims Administrator for more information regarding guidelines for hospice care. You can contact the Claims Administrator at the telephone number on your ID card.

Any combination of Network and Non-Network Benefits is limited to 180 days during the entire period of time you are covered under the Plan.

**Notify the Claims Administrator**

Please remember that for Non-Network Benefits you must notify the Claims Administrator five business days before receiving services. If you don't notify the Claims Administrator, Benefits will be reduced to 50% of Eligible Expenses.

**8. Hospital - Inpatient Stay**

Inpatient Stay in a Hospital. Benefits are available for:

- Services and supplies received during the Inpatient Stay.
- Room and board in a Semi-private Room (a room with two or more beds).

Benefits for Physician services are described under *Professional Fees for Surgical and Medical Services.*

**Notify the Claims Administrator**

Please remember that for Non-Network Benefits you must notify the Claims Administrator as follows:

- For elective admissions: five business days before admission.

12. Maternity Services

Benefits for Pregnancy will be paid at the same level as Benefits for any other condition, Sickness or Injury. This includes all maternity-related medical services for prenatal care, postnatal care, delivery, and any related complications.

There are special prenatal programs to help during Pregnancy. They are completely voluntary and there is no extra cost for participating in the programs. To sign up, you should notify the Claims Administrator during the first trimester, but no later than one month prior to the anticipated childbirth.

We will pay Benefits for an Inpatient Stay of at least:

- 48 hours for the mother and newborn child following a normal vaginal delivery.
- 96 hours for the mother and newborn child following a Cesarean section delivery.

If the mother agrees, the attending provider may discharge the mother and/or the newborn child earlier than these minimum time frames.

### 20. Reconstructive Procedures

Services for reconstructive procedures, when a physical impairment exists and the primary purpose of the procedure is to improve or restore physiologic function. Reconstructive procedures include surgery or other procedures which are associated with an Injury, Sickness or Congenital Anomaly. The fact that physical appearance may change or improve as a result of a reconstructive procedure does not classify such surgery as a Cosmetic Procedure when a physical impairment exists, and the surgery restores or improves function.

Cosmetic Procedures are excluded from coverage. Procedures that correct an anatomical Congenital Anomaly without improving or restoring physiologic function are considered Cosmetic Procedures. The fact that a Covered Person may suffer psychological consequences or socially avoidant behavior as a result of an Injury, Sickness or Congenital Anomaly does not classify surgery or other procedures done to relieve such consequences or behavior as a reconstructive procedure.

Please note that Benefits for reconstructive procedures include breast reconstruction following a mastectomy related to breast cancer, and reconstruction of the non-affected breast to achieve symmetry. Other services required by the Women's Health and Cancer Rights Act of 1998, including breast prostheses and treatment of complications, are provided in the same manner and at the same level as those for any other Covered Health Service. You can contact the Claims Administrator at the telephone number on

**Notify the Claims Administrator**

Please remember that for Non-Network Benefits you must notify the Claims Administrator five business days before receiving services. When you provide notification, the Claims Administrator can verify that the service is a reconstructive procedure rather than a Cosmetic Procedure. Cosmetic Procedures are always excluded from coverage. If you don't notify the Claims Administrator, Benefits for reconstructive procedures will be reduced to 50% of Eligible Expenses not to exceed $500.

**21. Rehabilitation Services - Outpatient Therapy**

Short-term outpatient rehabilitation services for:

- Physical therapy.
- Occupational therapy.
- Speech therapy.
- Pulmonary rehabilitation therapy.
- Cardiac rehabilitation therapy.

Rehabilitation services must be performed by a licensed therapy provider, under the direction of a Physician.

## 25. Transplantation Services

Covered Health Services for the following organ and tissue transplants when ordered by a Physician. Transplantation services must be received at a Designated Facility. Benefits are available for the transplants listed below when the transplant meets the definition of a Covered Health Service, and is not an Experimental, Investigational or Unproven Service:

- Bone marrow transplants (either from you or from a compatible donor) and peripheral stem cell transplants, with or without high dose chemotherapy. Not all bone marrow transplants meet the definition of a Covered Health Service.
- Heart transplants.
- Heart/lung transplants.
- Lung transplants.
- Kidney transplants.
- Kidney/pancreas transplants.
- Liver transplants.
- Liver/small bowel transplants.
- Pancreas transplants.
- Small bowel transplants.

Benefits are also available for cornea transplants that are provided by a Network Physician at a Network Hospital. We do not require that cornea transplants be performed at a Designated Facility. For cornea...
transplants, Benefits will be paid at the same level as Professional Fees, Outpatient Surgery, Diagnostic and Therapeutic Services, and Inpatient Hospital rather than as described in this Section "Transplantation Services".

Organ or tissue transplants or multiple organ transplants other than those listed above are excluded from coverage.

Under the Plan there are specific guidelines regarding Benefits for transplant services. Contact the Claims Administrator at the telephone number on your ID card for information about these guidelines.

**Transportation and Lodging**

The Claims Administrator will assist the patient and family with travel and lodging arrangements when services are received from a Designated Facility. Expenses for travel, lodging and meals for the transplant recipient and a companion are available under this Plan as follows:

- Transportation of the patient and one companion who is traveling on the same day(s) to and/or from the site of the transplant for the purposes of an evaluation, the transplant procedure or necessary post-discharge follow-up.
- Eligible Expenses for lodging and meals for the patient (while not confined) and one companion. Benefits are paid at a per diem rate of up to $50 for one person or up to $100 for two people.
- Travel and lodging expenses are only available if the transplant

- If the patient is an Enrolled Dependent minor child, the transportation expenses of two companions will be covered and lodging and meal expenses will be reimbursed up to the $100 per diem rate.

There is a combined overall lifetime maximum Benefit of $10,000 per Covered Person for all transportation, lodging and meal expenses incurred by the transplant recipient and companion(s) and reimbursed under this Plan in connection with all transplant procedures.

**Notify the Claims Administrator**

You must notify the Claims Administrator as soon as the possibility of a transplant arises (and before the time a pre-transplantation evaluation is performed at a transplant center). If you do not notify the Claims Administrator, and if the transplantation services are not performed at a Designated Facility, you will be responsible for paying all charges and Benefits will not be paid.
### 26. Urgent Care Center Services

Covered Health Services received at an Urgent Care Center. When services to treat urgent health care needs are provided in a Physician’s office, Benefits are available as described under *Physician’s Office Services* earlier in this section.

Section 2: What's Not Covered--Exclusions

This section contains information about:
• How headings are used in this section.
• Medical services that are not covered. We call these Exclusions. It's important for you to know what services and supplies are not covered under the Plan.

How We Use Headings in this Section
To help you find specific exclusions more easily, we use headings. The headings group services, treatments, items, or supplies that fall into a similar category. Actual exclusions appear underneath headings. A heading does not create, define, modify, limit or expand an exclusion. All exclusions in this section apply to you.

We Do not Pay Benefits for Exclusions
We will not pay Benefits for any of the services, treatments, items or supplies described in this section, even if either of the following are true:
• It is recommended or prescribed by a Physician.
• It is the only available treatment for your condition.

A. Alternative Treatments
1. Acupressure and acupuncture.
2. Aroma therapy.
3. Hypnotism.
4. Massage Therapy.
5. Rolfing.
6. Other forms of alternative treatment as defined by the Office of Alternative Medicine of the National Institutes of Health.

B. Comfort or Convenience
1. Television.
2. Telephone.
4. Guest service.
5. Supplies, equipment and similar incidental services and supplies for personal comfort. Examples include:
   — Air conditioners.
   — Air purifiers and filters.
   — Batteries and battery chargers.
   — Dehumidifiers.
   — Humidifiers.
6. Devices and computers to assist in communication and speech.
C. Dental
1. Dental care except as described in (Section 1: What's Covered--Benefits) under the heading Dental Services - Accident Only.
2. Preventive care, diagnosis, treatment of or related to the teeth, jawbones or gums. Examples include all of the following:
   — Extraction, restoration and replacement of teeth.
   — Medical or surgical treatments of dental conditions.
   — Services to improve dental clinical outcomes.
3. Dental implants.
4. Dental braces.
5. Dental X-rays, supplies and appliances and all associated expenses, including hospitalizations and anesthesia. The only exceptions to this are for any of the following:
   — Transplant preparation.
   — Initiation of immunosuppressives.
   — The direct treatment of acute traumatic Injury, cancer or cleft palate.
6. Treatment of congenitally missing, malpositioned, or supernumerary teeth, even if part of a Congenital Anomaly.

D. Drugs
(Please refer to your Outpatient Prescription Drug Rider for Prescription Drug Benefits)
1. Prescription drug products for outpatient use that are filled at a network pharmacy by a prescription order or refill.
2. Self-injectable medications.
3. Non-injectable medications given in a Physician's office except as required in an Emergency.

4. Over the counter drugs and treatments.

E. Experimental, Investigational or Unproven Services
Experimental, Investigational and Unproven Services are excluded. The fact that an Experimental, Investigational or Unproven Service, treatment, device or pharmaceutical regimen is the only available treatment for a particular condition will not result in Benefits if the procedure is considered to be Experimental, Investigational or Unproven in the treatment of that particular condition.

F. Foot Care
1. Routine foot care (including the cutting or removal of corns and calluses).
2. Nail trimming, cutting, or debriding.
3. Hygienic and preventive maintenance foot care. Examples include the following:
   — Cleaning and soaking the feet.
   — Applying skin creams in order to maintain skin tone.
   — Other services that are performed when there is not a localized illness, Injury or symptom involving the foot.
4. Treatment of flat feet.
5. Treatment of subluxation of the foot.
6. Shoe orthotics.

G. Medical Supplies and Appliances
1. Devices used specifically as safety items or to affect performance in sports-related activities.
2. Prescribed or non-prescribed medical supplies and disposable supplies. Examples include:
   — Elastic stockings.
   — Ace bandages.
   — Gauze and dressings.
   — Syringes.
   — Diabetic test strips.
3. Orthotic appliances that straighten or re-shape a body part (including cranial banding and some types of braces).
4. Tubings and masks are not covered except when used with Durable Medical Equipment (as described in Section 1: What's Covered--Benefits). Note: Urinary Catheter supplies are covered same as Durable Medical Equipment.

H. Mental Health/Substance Abuse
2. Mental Health Services and Substance Abuse Services that extend beyond the period necessary for short-term evaluation, diagnosis, treatment or crisis intervention.
3. Mental Health Services as treatment for insomnia and other sleep disorders, dementia, neurological disorders and other disorders with a known physical basis.
4. Treatment for conduct and impulse control disorders, personality disorders, paraphilias and other Mental Illnesses that will not substantially improve beyond the current level of functioning, or that are not subject to favorable modification or management according to prevailing national standards of clinical practice, as reasonably determined by the Mental Health/Substance Abuse Designee.
5. Services utilizing methadone treatment as maintenance, L.A.A.M. (1-Alpha-Acetyl-Methadol), Cyclazocine, or their equivalents.
6. Treatment provided in connection with or to comply with involuntary commitments, police detentions and other similar arrangements, unless authorized by the Mental Health/Substance Abuse Designee.
7. Residential treatment services.
8. Services or supplies for the diagnosis or treatment of Mental Illness, alcoholism or substance abuse disorders that, in the reasonable judgment of the Mental Health/Substance Abuse Designee, are any of the following:
   — Not consistent with prevailing national standards of clinical practice for the treatment of such conditions.
   — Not consistent with prevailing professional research demonstrating that the services or supplies will have a measurable and beneficial health outcome.
   — Typically do not result in outcomes demonstrably better than other available treatment alternatives that are less intensive or more cost effective.
   — Not consistent with the Mental Health/Substance Abuse Designee's level of care guidelines or best practices as modified from time to time.

The Mental Health/Substance Abuse Designee may consult with professional clinical consultants, peer review committees or other appropriate sources for recommendations and information regarding whether a service or supply meets any of these criteria.

I. Nutrition
1. Megavitamin and nutrition based therapy.
2. Nutritional counseling for either individuals or groups.
3. Enteral feedings and other nutritional and electrolyte supplements, including infant formula and donor breast milk.

J. Physical Appearance
1. Cosmetic Procedures. See the definition in (Section 10: Glossary of Defined Terms). Examples include:
   — Pharmacological regimens, nutritional procedures or treatments.
   — Scar or tattoo removal or revision procedures (such as salabrasion, chemosurgery and other such skin abrasion procedures).
   — Skin abrasion procedures performed as a treatment for acne.
2. Replacement of an existing breast implant if the earlier breast implant was performed as a Cosmetic Procedure.
   **Note:** Replacement of an existing breast implant is considered reconstructive if the initial breast implant followed mastectomy. See *Reconstructive Procedures* in (Section 1: What's Covered--Benefits).
3. Physical conditioning programs such as athletic training, body-building, exercise, fitness, flexibility, and diversion or general motivation.
4. Weight loss programs whether or not they are under medical supervision. Weight loss programs for medical reasons are also excluded.
5. Wigs regardless of the reason for the hair loss.

K. Providers
1. Services performed by a provider who is a family member by birth or marriage, including spouse, brother, sister, parent or child. This includes any service the provider may perform on himself or herself.
2. Services performed by a provider with your same legal residence.
3. Services provided at a free-standing or Hospital-based diagnostic facility without an order written by a Physician or other provider. Services that are self-directed to a free-standing or Hospital-based diagnostic facility. Services ordered by a Physician or other provider who is an employee or representative of a free-standing or Hospital-based diagnostic facility, when that Physician or other provider:
   — Has not been actively involved in your medical care prior to ordering the service, or
   — Is not actively involved in your medical care after the service is received.

L. Reproduction
1. Health services and associated expenses for infertility treatments including but not limited to GIFT, ZIFT, or Invitro Fertilization.
2. Surrogate parenting.
3. The reversal of voluntary sterilization.

M. Services Provided under Another Plan
1. Health services for which other coverage is required by federal, state or local law to be purchased or provided through other arrangements. This includes, but is not limited to, coverage required by workers' compensation, no-fault auto insurance, or similar legislation.
   If coverage under workers' compensation or similar legislation is optional for you because you could elect it, or could have it elected for you, Benefits will not be paid for any Injury, Sickness...
or Mental Illness that would have been covered under workers’ compensation or similar legislation had that coverage been elected.

2. Health services for treatment of military service-related disabilities, when you are legally entitled to other coverage and facilities are reasonably available to you.

3. Health services while on active military duty.

4. Health services for injury or sickness contributed to by committing a felony, trying to commit a felony or engaging in an illegal occupation.

N. Transplants

1. Health services for organ and tissue transplants, except those described in (Section 1: What’s Covered--Benefits).

2. Health services connected with the removal of an organ or tissue from you for purposes of a transplant to another person. (Donor costs for removal are payable for a transplant through the organ recipient's Benefits under the Plan).

3. Health services for transplants involving mechanical or animal organs.

4. Transplant services that are not performed at a Designated Facility.

5. Any solid organ transplant that is performed as a treatment for cancer.

6. Any multiple organ transplant not listed as a Covered Health Service under the heading Transplantation Health Services in (Section 1: What’s Covered--Benefits).

O. Travel

1. Health services provided in a foreign country, unless required as Emergency Health Services.

2. Travel or transportation expenses, even though prescribed by a Physician. Some travel expenses related to covered transplantation services may be reimbursed at our discretion.

P. Vision and Hearing

1. Purchase cost of hearing aids, eye glasses or contact lenses.

2. Fitting charge for hearing aids, eye glasses or contact lenses.

3. Eye exercise therapy.

4. Surgery that is intended to allow you to see better without glasses or other vision correction including radial keratotomy, laser, and other refractive eye surgery.

Q. All Other Exclusions

1. Health services and supplies that do not meet the definition of a Covered Health Service - see the definition in (Section 10: Glossary of Defined Terms).

2. Physical, psychiatric or psychological exams, testing, vaccinations, immunizations or treatments that are otherwise covered under the Plan when:
   — Required solely for purposes of career, education, sports or camp, travel, employment, insurance, marriage or adoption.
   — Related to judicial or administrative proceedings or orders.
   — Conducted for purposes of medical research.
   — Required to obtain or maintain a license of any type.

3. Health services received as a result of war or any act of war, whether declared or undeclared or caused during service in the armed forces of any country.

4. Health services received after the date your coverage under the Plan ends, including health services for medical conditions arising before the date your coverage under the Plan ends.
5. Health services for which you have no legal responsibility to pay, or for which a charge would not ordinarily be made in the absence of coverage under the Plan.

6. In the event that a non-Network provider waives Copayments and/or the Annual Deductible for a particular health service, no Benefits are provided for the health service for which the Copayments and/or Annual Deductible are waived.

7. Charges in excess of Eligible Expenses or in excess of any specified limitation.

8. Services for the evaluation and treatment of temporomandibular joint syndrome (TMJ), when the services are considered to be medical or dental in nature.

10. Non-surgical treatment of obesity, including morbid obesity.

11. Surgical treatment of obesity including severe morbid obesity.

12. Growth hormone therapy.

13. Sex transformation operations.

15. Domiciliary care.

16. Private duty nursing.

17. Respite care.

18. Rest cures.

20. Treatment of benign gynecomastia (abnormal breast enlargement in males) unless medically necessary.

21. Medical and surgical treatment of excessive sweating (hyperhidrosis).

22. Medical and surgical treatment for snoring, except when provided as a part of treatment for documented obstructive sleep apnea.

23. Oral appliances for snoring.

24. Speech therapy except as required for treatment of a speech impediment or speech dysfunction that results from Injury, stroke, or a Congenital Anomaly.

25. Any charges for missed appointments, room or facility reservations, completion of claim forms or record processing.

26. Any charge for services, supplies or equipment advertised by the provider as free.

27. Any charges prohibited by federal anti-kickback or self-referral statutes.

28. Any charges by a provider sanctioned under a federal program for reason of fraud, abuse or medical competency.

29. Any outpatient facility charge in excess of payable amounts under Medicare.

30. Any charges by a resident in a teaching hospital where a faculty Physician did not supervise services.
Section 3: Description of Network and Non-Network Benefits

This section includes information about:

- Network Benefits.
- Non-Network Benefits.
- Emergency Health Services.

Network Benefits

Network Benefits are generally paid at a higher level than Non-Network Benefits. Network Benefits are payable for Covered Health Services which are either of the following:

- Provided by a Network Physician or other Network provider.
- Emergency Health Services.

Please note that Mental Health and Substance Abuse Services must be authorized by the Mental Health/Substance Abuse Designee. Please see (Section 1: What's Covered--Benefits) under the heading for Mental Health and Substance Abuse.

For routine vision exams, including refraction, you must seek care from a Routine Vision Network Provider. Not all Network providers who perform medical eye examinations are Routine Vision Network Providers.

Who Should Notify the Claims Administrator for Care Coordination

| Network providers generally handle notification for you. However, there are exceptions. See (Section 1: What's Covered--Benefits), under the Must You Notify the Claims Administrator? column. |
| You must notify the Claims Administrator for certain Covered Health Services. Failure to notify results in reduced Benefits or no Benefits. See (Section 1: What's Covered--Benefits), under the Must You Notify the Claims Administrator? column. |

Who Should File Claims

| Not required. We pay Network providers directly. |
| You must file claims. See (Section 5: How to File a Claim). |

(Section 3: Description of Network and Non-Network Benefits)
Emergency Health Services are always paid as a Network Benefit (paid the same whether you are in or out of the Network). That means that if you seek Emergency care at a non-Network facility, you are not required to meet the Annual Deductible or to pay any difference between Eligible Expenses and the amount the provider bills.

Provider Network

The Claims Administrator arranges for health care providers to participate in a Network. Network providers are independent practitioners. They are not our employees or employees of the Claims Administrator. It is your responsibility to select your provider.

The credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided.

You will be given access to a directory of Network providers. However, before obtaining services you should always verify the Network status of a provider. A provider's status may change. You can verify the provider's status by calling the Claims Administrator.

It is possible that you might not be able to obtain services from a particular Network provider. The network of providers is subject to change. Or you might find that a particular Network provider may not be accepting new patients. If a provider leaves the Network or is otherwise not available to you, you must choose another Network provider to get Network Benefits.

Do not assume that a Network provider's agreement includes all Covered Health Services. Some Network providers contract to provide only certain Covered Health Services, but not all Covered Health Services. Some Network providers choose to be a Network provider for only some products. Refer to your provider directory or contact the Claims Administrator for assistance.

Care CoordinationSM

Your Network Physician is required to notify the Claims Administrator regarding certain proposed or scheduled health services. When your Network Physician notifies the Claims Administrator, they will work together to implement the Care CoordinationSM process and to provide you with information about additional services that are available to you, such as disease management programs, health education, pre-admission counseling and patient advocacy.

If you receive certain Covered Health Services from a Network provider, you must notify the Claims Administrator. The Covered Health Services for which notification is required is shown in (Section 1: What's Covered--Benefits). When you notify the Claims Administrator, you will receive the Care Coordination services described above.

Designated Facilities and Other Providers

If you have a medical condition that the Claims Administrator believes needs special services, they may direct you to a Designated Facility or other provider chosen by them. If you require certain complex Covered Health Services for which expertise is limited, the Claims Administrator may direct you to a non-Network facility or provider.

In both cases, Network Benefits will only be paid if your Covered Health Services for that condition are provided by or arranged by the Designated Facility or other provider chosen by the Claims Administrator.
You or your Network Physician must notify the Claims Administrator of special service needs (including, but not limited to, transplants or cancer treatment) that might warrant referral to a Designated Facility or non-Network facility or provider. If you do not notify the Claims Administrator in advance, and if you receive services from a non-Network facility (regardless of whether it is a Designated Facility) or other non-Network provider, Network Benefits will not be paid. Non-Network Benefits may be available if the special needs services you receive are Covered Health Services for which Benefits are provided under the Plan.

**Health Services from Non-Network Providers Paid as Network Benefits**

If specific Covered Health Services are not available from a Network provider, you may be eligible for Network Benefits when Covered Health Services are received from non-Network providers. In this situation, your Network Physician will notify the Claims Administrator, and they will work with you and your Network Physician to coordinate care through a non-Network provider.

When you receive Covered Health Services through a Network Physician, we will pay Network Benefits for those Covered Health Services, even if one or more of those Covered Health Services is received from a non-Network provider.

**Limitations on Selection of Providers**

If the Claims Administrator determines that you are using health care services in a harmful or abusive manner, or with harmful frequency, your selection of Network providers may be limited. If this happens, you may be required to select a single Network Physician to provide and coordinate all future Covered Health Services.

If you don't make a selection within 31 days of the date we notify you, the Claims Administrator will select a single Network Physician for you.

If you fail to use the selected Network Physician, Covered Health Services will be paid as Non-Network Benefits.

**Non-Network Benefits**

Non-Network Benefits are generally paid at a lower level than Network Benefits. Non-Network Benefits are payable for Covered Health Services which are either of the following:

- Provided by non-Network providers.
- Provided under the direction of a Non-Network Physician, at a non-Network facility or program.

Depending on the geographic area and the service you receive, you may have access to providers who have agreed to discount their charges for Covered Health Services. If you receive Covered Health Services from these providers, and if your Copayment is expressed as a percentage of Eligible Expenses for Non-Network Benefits, that percentage will remain the same as it is when you receive Covered Health Services from non-Network providers who have not agreed to discount their charges; however, the total that you owe may be less when you receive Covered Health Services from other non-Network providers, because the Eligible Expense may be a lesser amount.

**Notification Requirement**

You must notify the Claims Administrator before getting certain Covered Health Services from non-Network providers. The details are shown in the **Must You Notify the Claims Administrator?** column in
(Section 1: What's Covered--Benefits). If you fail to notify the
Claims Administrator, Benefits are reduced or denied.

Prior notification does not mean Benefits are payable in all cases.
Coverage depends on the Covered Health Services that are actually
given, your eligibility status, and any benefit limitations.

**Care Coordination**<sup>SM</sup>

When you notify the Claims Administrator as described above, they
will work to implement the Care Coordination<sup>SM</sup> process and to
provide you with information about additional services that are
available to you, such as disease management programs, health
education, pre-admission counseling and patient advocacy.

**Emergency Health Services**

We provide Benefits for Emergency Health Services when required
for stabilization and initiation of treatment as provided by or under
the direction of a Physician.

Network Benefits are paid for Emergency Health Services, even if
the services are provided by a non-Network provider.

If you are confined in a non-Network Hospital after you receive
Emergency Health Services, the Claims Administrator must be
notified within one business day or on the same day of admission if
reasonably possible. The Claims Administrator may elect to transfer
you to a Network Hospital as soon as it is medically appropriate to
do so. If you choose to stay in the non-Network Hospital after the
date the Claims Administrator decides a transfer is medically
appropriate, Non-Network Benefits may be available if the
continued stay is determined to be a Covered Health Service.

If you are admitted as an inpatient to a Hospital within 24 hours of
receiving treatment for the same condition as an Emergency Health
Service, you will not have to pay the Copayment for Emergency
Health Services. The Copayment for an Inpatient Stay in a Network
Hospital will apply instead.

**Note:** Please note that the Copayment for Emergency Health
Services will not be waived if you have been placed in an
observation bed for the purpose of monitoring your condition,
rather than being admitted as an inpatient in the Hospital. In this
case, the Emergency Copayment will apply instead of the
Copayment for an Inpatient Stay.
Section 4: When Coverage Begins

This section includes information about:
- How to enroll.
- If you are hospitalized when this coverage begins.
- Who is eligible for coverage.
- When to enroll.
- When coverage begins.

How to Enroll
To enroll, the Eligible Person must complete an enrollment form. The Plan Administrator or its designee will give the necessary forms to you, along with instructions about submitting your enrollment form and any required contribution for coverage. We will not provide Benefits for health services that you receive before your effective date of coverage.

If You Are Hospitalized When Your Coverage Begins
If you are an inpatient in a Hospital, Skilled Nursing Facility or Inpatient Rehabilitation Facility on the day your coverage begins, we will pay Benefits for Covered Health Services related to that Inpatient Stay as long as you receive Covered Health Services in accordance with the terms of the Plan.

You should notify the Claims Administrator within 48 hours of the day your coverage begins, or as soon as is reasonably possible. Network Benefits are available only if you receive Covered Health Services from Network Providers.

If You Are Eligible for Medicare
Your Benefits under the Plan may be reduced if you are eligible for Medicare but do not enroll in and maintain coverage under both Medicare Part A and Part B. This does not apply if this Plan is your primary plan to Medicare.

Your Benefits under the Plan may also be reduced if you are enrolled in a Medicare+Choice (Medicare Part C) plan but fail to follow the rules of that plan. Please see Medicare Eligibility in (Section 9: General Legal Provisions) for more information about how Medicare may affect your Benefits.

<td>Eligible Person usually refers to an employee of ours who meets the eligibility rules. When an Eligible Person actually enrolls, we refer to that person as a Participant. For a complete definition of Eligible Person and Participant, see (Section 10: Glossary of Defined Terms). If both spouses are Eligible Persons under the Plan, each may enroll as a Participant or be covered as an Enrolled Dependent of the other, but not both. Except as we have described in (Section 4: When Coverage Begins), Eligible Persons may not enroll without our written permission.</td>

<td>Dependent generally refers to the Participant's spouse and children. When a Dependent actually enrolls, we refer to that person as an Enrolled Dependent. For a complete definition of Dependent and Enrolled Dependent, see (Section 10: Glossary of Defined Terms). Dependents of an Eligible Person may not enroll unless the Eligible Person is also covered under the Plan. If both parents of a Dependent child are enrolled as a Participant, only one parent may enroll the child as a Dependent. Except as we have described in (Section 4: When Coverage Begins), Dependents may not enroll without our written permission.</td>

**Special Enrollment Period**

An Eligible Person and/or Dependent may also be able to enroll during a special enrollment period. A special enrollment period is not available to an Eligible Person and his or her Dependents if coverage under the prior plan was terminated for cause, or because premiums were not paid on a timely basis.

A special enrollment period applies to an Eligible Person and any Dependents when one of the following events occurs:

- Birth.
- Legal Adoption.
- Placement for adoption.
- Marriage.

A special enrollment period applies for an Eligible Person and/or Dependent who did not enroll during the Initial Enrollment Period or Open Enrollment Period if the following are true:

- The Eligible Person and/or Dependent had existing health coverage under another plan at the time they had an opportunity to enroll during the Initial Enrollment Period or Open Enrollment Period; and
- Coverage under the prior plan ended because of any of the following:
  - Loss of eligibility (including, without limitation, legal separation, divorce or death).
  - The employer stopped paying the contributions.
  - In the case of COBRA continuation coverage, the coverage ended.

**Event Takes Place** (for example, a birth or marriage). Coverage begins on the date of the event if the Plan Administrator receives the completed enrollment form and any required contribution within 31 days of the event.

**Missed Initial Enrollment Period or Open Enrollment Period.** Coverage begins on the day immediately following the day coverage under the prior plan ends if the Plan Administrator receives the completed enrollment form and any required contribution within 31 days of the date coverage under the prior plan ended.
Section 5: How to File a Claim

This section provides you with information about:
- How and when to file a claim.
- If you receive Covered Health Services from a Network provider, you do not have to file a claim. We pay these providers directly.
- If you receive Covered Health Services from a non-Network provider, you are responsible for filing a claim.

If You Receive Covered Health Services from a Network Provider
We pay Network providers directly for your Covered Health Services. If a Network provider bills you for any Covered Health Service, contact the Claims Administrator. However, you are responsible for Copayments to a Network provider at the time of service, or when you receive a bill from the provider.

Filing a Claim for Benefits
When you receive Covered Health Services from a non-Network provider, you are responsible for requesting payment from us through the Claims Administrator. You must file the claim in a format that contains all of the information required, as described below.

To continue reading, go to right column on this page.

You must submit a request for payment of Benefits within 90 days after the date of service. If you don’t provide this information to the Claims Administrator within one year of the date of service, Benefits for that health service will be denied or reduced, in the Claims Administrator’s discretion. This time limit does not apply if you are legally incapacitated. If your claim relates to an Inpatient Stay, the date of service is the date your Inpatient Stay ends.

Pharmacy Benefit Claims
If you are asked to pay the full cost of a prescription when you fill it at a retail or mail-order pharmacy and you believe that the Plan should have paid for it, you may submit a claim for reimbursement as set forth in the procedures for filing a post-service group health plan claim (described in this section). If you pay a Copayment and you believe that the amount of the Copayment was incorrect, you also may submit a claim for reimbursement as set forth in the procedures for filing a post-service group health plan claim.

If a retail or mail order pharmacy fails to fill a prescription that you have presented, you may contact the Claims Administrator by submitting a claim for coverage as set forth in the procedures for filing a pre-service health plan claim (described in this section).

Required Information
When you request payment of Benefits from us, you must provide all of the following information:

A. Participant’s name and address.
B. The patient’s name, age and relationship to the Participant.
C. The member number stated on your ID card.
D. An itemized bill from your provider that includes the following:
   — Patient Diagnosis
   — Date of service

To continue reading, go to left column on next page.
— Procedure Code(s) and descriptions of service(s) rendered
— Provider of service (Name, Address and Tax Identification Number)

E. The date the Injury or Sickness began.
F. A statement indicating either that you are, or you are not, enrolled for coverage under any other health insurance plan or program. If you are enrolled for other coverage you must include the name of the other carrier(s).

**Payment of Benefits**

Through the Claims Administrator, we will make a benefit determination as set forth below.

You may not assign your Benefits under the Plan to a non-Network provider without our consent. The Claims Administrator may, however, in their discretion, pay a non-Network provider directly for services rendered to you.

The Claims Administrator will notify you if additional information is needed to process the claim. The Claims Administrator may request a one time extension not longer than 15 days and will pend your claim until all information is received. Once you are notified of the extension or missing information, you then have at least 45 days to provide this information.

**Benefit Determinations**

*Post-Service Claims*

Post-Service Claims are those claims that are filed for payment of benefits after medical care has been received. If your post-service claim is denied, you will receive a written notice from the Claims Administrator within 30 days of receipt of the claim, as long as all needed information was provided with the claim. The Claims Administrator will notify you within this 30 day period if additional information is needed to process the claim, and may request a one time extension not longer than 15 days and pend your claim until all information is received.

Once notified of the extension you then have 45 days to provide this information. If all of the needed information is received within the 45 day time frame and the claim is denied, the Claims Administrator will notify you of the denial within 15 days after the information is received. If you don’t provide the needed information within the 45 day period, your claim will be denied.

A denial notice will explain the reason for denial, refer to the part of the Plan on which the denial is based, and provide the claim appeal procedures.

*Pre-Service Claims*

Pre-service claims are those claims that require notification or approval prior to receiving medical care. If your claim was a pre-service claim, and was submitted properly with all needed information, you will receive written notice of the claim decision from the Claims Administrator within 15 days of receipt of the claim. If you filed a pre-service claim improperly, the Claims Administrator will notify you of the improper filing and how to correct it within 5 days after the pre-service claim was received. If additional information is needed to process the pre-service claim, the Claims Administrator will notify you of the information needed within 15 days after the claim was received, and may request a one time extension not longer than 15 days and pend your claim until all information is received. Once notified of the extension you then have 45 days to provide this information. If all of the needed information is received within the 45 day time frame, the Claims Administrator will notify you of the determination within 15 days after the information is received. If you don’t provide the needed
information within the 45 days period, your claim will be denied. A denial notice will explain the reason for denial, refer to the part of the Plan on which the denial is based, and provide the claim appeal procedures.

**Urgent Claims that Require Immediate Action**

Urgent claims are those claims that require notification or approval prior to receiving medical care, where a delay in treatment could seriously jeopardize your life or health or the ability to regain maximum function or, in the opinion of a physician with knowledge of your medical condition could cause severe pain. In these situations:

- You will receive notice of the benefit determination in writing or electronically within 72 hours after the Claims Administrator receives all necessary information, taking into account the seriousness of your condition.
- Notice of denial may be oral with a written or electronic confirmation to follow within 3 days.

If you filed an urgent claim improperly, the Claims Administrator will notify you of the improper filing and how to correct it within 24 hours after the urgent claim was received. If additional information is needed to process the claim, the Claims Administrator will notify you of the information needed within 24 hours after the claim was received. You then have 48 hours to provide the requested information.

You will be notified of a determination no later than 48 hours after:

- The Claims Administrator's receipt of the requested information; or
- The end of the 48-hour period within which you were to provide the additional information, if the information is not received within that time.

A denial notice will explain the reason for denial, refer to the part of the Plan on which the denial is based, and provide the claim appeal procedures.

**Concurrent Care Claims**

If an on-going course of treatment was previously approved for a specific period of time or number of treatments, and your request to extend the treatment is an urgent claim as defined above, your request will be decided within 24 hours, provided your request is made at least 24 hours prior to the end of the approved treatment. The Claims Administrator will make a determination on your request for the extended treatment within 24 hours from receipt of your request.

If your request for extended treatment is not made at least 24 hours prior to the end of the approved treatment, the request will be treated as an urgent claim and decided according to the timeframes described above. If an on-going course of treatment was previously approved for a specific period of time or number of treatments, and you request to extend treatment in a non-urgent circumstance, your request will be considered a new claim and decided according to post-service or pre-service timeframes, whichever applies.
Section 6: Questions, Complaints and Appeals

This section provides you with information to help you with the following:
- You have a question or concern about Covered Health Services or your Benefits.
- You have a Complaint.
- How to handle an appeal that requires immediate action.
- You are notified that a claim has been denied because it has been determined that a service or supply is excluded under the Plan and you wish to appeal such determination.

To resolve a question or appeal, just follow these steps:

What to Do First

*Contact the Claims Administrator’s Customer Service Department*

The telephone number is shown on your ID card.

Customer Service representatives are available to take your call during regular business hours, Monday through Friday. At other times, you may leave a message on voicemail. A Customer Service representative will return your call. If you would rather send your appeal in writing at this point, the Customer Service representative can provide you with the appropriate address.

What to Do Next

If the Customer Service representative cannot resolve the issue to your satisfaction over the phone, you may submit your question in writing. If you are not satisfied with a Benefit determination as described in (Section 5: How to File a Claim), you may appeal this decision as described below. The Claims Administrator will notify you of its decision regarding your written appeal within the time frames set forth below.

How to Appeal a Claim Decision

If you disagree with a pre-service or post-service claim determination after following the above steps, you can contact the Claims Administrator in writing to formally request an appeal.

Your request should include:
- The patient's name and the identification number from the ID card.
- The date(s) of medical service(s).
- The provider's name.
- The reason you believe the claim should be paid.
- Any documentation or other written information to support your request for claim payment.
Your first appeal request must be submitted to the Claims Administrator within 180 days after you receive the claim denial.

**Appeal Process**

A qualified individual who was not involved in the decision being appealed will be appointed to decide the appeal. If your appeal is related to clinical matters, the review will be done in consultation with a health care professional with appropriate expertise in the field who was not involved in the prior determination. The Claims Administrator may consult with, or seek the participation of, medical experts as part of the appeal resolution process. You consent to this referral and the sharing of pertinent medical claim information. Upon request and free of charge you have the right to reasonable access to and copies of, all documents, records, and other information relevant to your claim for benefits.

**Appeals Determinations**

**Pre-Service and Post-Service Claim Appeals**

You will be provided written or electronic notification of decision on your appeal as follows:

For appeals of pre-service claims, (as defined in Section 5: How to File a Claim), the first level appeal will be conducted and you will be notified by the Claims Administrator of the decision within 15 days from receipt of a request for appeal of a denied claim. The second level appeal will be conducted and you will be notified by the Claims Administrator of the decision within 15 days from receipt of a request for review of the first level appeal decision.

For appeals of post-service claims (as defined in Section 5: How to File a Claim), the first level appeal will be conducted and you will be notified by the Claims Administrator of the decision within 30 days from receipt of a request for appeal of a denied claim. The second level appeal will be conducted and you will be notified by the Claims Administrator of the decision within 30 days from receipt of a request for review of the first level appeal decision.

For procedures associated with urgent claims, see "Urgent Claim Appeals that Require Immediate Action" below.

If you are not satisfied with the first level appeal decision of the Claims Administrator, you have the right to request a second level appeal from the Claims Administrator. Your second level appeal request must be submitted to the Claims Administrator in writing within 60 days from receipt of the first level appeal decision.

For pre-service and post-service claim appeals, we have delegated to the Claims Administrator the exclusive right to interpret and administer the provisions of the Plan. The Claims Administrator's decisions are conclusive and binding.

Please note that the Claims Administrator's decision is based only on whether or not Benefits are available under the Plan for the proposed treatment or procedure. The determination as to whether the pending health service is necessary or appropriate is between you and your Physician.

**Urgent Claim Appeals that Require Immediate Action**

Your appeal may require immediate action if a delay in treatment could significantly increase the risk to your health or the ability to regain maximum function or cause severe pain. In these urgent situations:

The appeal does not need to be submitted in writing. You or your Physician should call the Claims Administrator as soon as possible. The Claims Administrator will provide you with a written or
electronic determination within 72 hours following receipt by the Claims Administrator of your request for review of the determination taking into account the seriousness of your condition.

For urgent claim appeals, we have delegated to the Claims Administrator the exclusive right to interpret and administer the provisions of the Plan. The Claims Administrator's decisions are conclusive and binding.

The complaint process for urgent situations does not apply to prescheduled treatments, therapies, surgeries or other procedures that the Claims Administrator does not consider to be urgent situations.

**Voluntary External Review Program**

If a final determination to deny Benefits is made, you may choose to participate in our voluntary external review program. This program only applies if the decision is based on either of the following:

- Clinical reasons.
- The exclusion for Experimental, Investigational or Unproven Services.

The external review program is not available if the coverage determinations are based on explicit Benefit exclusions or defined Benefit limits.

Contact the Claims Administrator at the telephone number shown on your ID card for more information on the voluntary external review program.
Section 7: Coordination of Benefits

This section provides you with information about:

- What you need to know when you have coverage under more than one plan.
- Definitions specific to Coordination of Benefit rules.
- Order of payment rules.

Benefits When You Have Coverage under More than One Plan

This section describes how Benefits under the Plan will be coordinated with those of any other plan that provides benefits to you. The language in this section is from model laws drafted by the National Association of Insurance Commissioners (NAIC) and represents standard industry practice for coordinating benefits.

When Coordination of Benefits Applies

This coordination of benefits (COB) provision applies when a person has health care coverage under more than one benefit plan.

The order of benefit determination rules described in this section determine which Coverage Plan will pay as the Primary Coverage Plan. The Primary Coverage Plan that pays first pays without regard to the possibility that another Coverage Plan may cover some expenses. A Secondary Coverage Plan pays after the Primary Coverage Plan and may reduce the benefits it pays. This is to prevent payments from all group Coverage Plans from exceeding 100 percent of the total Allowable Expense.

Definitions

For purposes of this section, terms are defined as follows:

1. "Coverage Plan" is any of the following that provides benefits or services for medical or dental care or treatment. However, if separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same Coverage Plan and there is no COB among those separate contracts.

   a. "Coverage Plan" includes: group insurance, closed panel or other forms of group or group-type coverage (whether insured or uninsured); medical care components of group long-term care contracts, such as skilled nursing care; medical benefits under group or individual automobile contracts; and Medicare or other governmental benefits, as permitted by law.

   b. "Coverage Plan" does not include: individual or family insurance; closed panel or other individual coverage (except for group-type coverage); school accident type coverage; benefits for non-medical components of group long-term care policies; Medicare supplement policies, Medicaid policies and coverage under other governmental plans, unless permitted by law.

Each contract for coverage under a. or b. above is a separate Coverage Plan. If a Coverage Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Coverage Plan.
2. The order of benefit determination rules determine whether this Coverage Plan is a "Primary Coverage Plan" or "Secondary Coverage Plan" when compared to another Coverage Plan covering the person.

When this Coverage Plan is primary, its benefits are determined before those of any other Coverage Plan and without considering any other Coverage Plan's benefits. When this Coverage Plan is secondary, its benefits are determined after those of another Coverage Plan and may be reduced because of the Primary Coverage Plan's benefits.

3. "Allowable Expense" means a health care service or expense, including deductibles and copayments, that is covered at least in part by any of the Coverage Plans covering the person. When a Coverage Plan provides benefits in the form of services, (for example an HMO) the reasonable cash value of each service will be considered an Allowable Expense and a benefit paid. An expense or service that is not covered by any of the Coverage Plans is not an Allowable Expense. Dental care, routine vision care, outpatient prescription drugs, and hearing aids are examples of expenses or services that are not Allowable Expenses under the Plan. The following are additional examples of expenses or services that are not Allowable Expenses:

a. If a Covered Person is confined in a private Hospital room, the difference between the cost of a Semi-private Room in the Hospital and the private room, (unless the patient's stay in a private Hospital room is medically necessary in terms of generally accepted medical practice, or one of the Coverage Plans routinely provides coverage for Hospital private rooms) is not an Allowable Expense.

b. If a person is covered by two or more Coverage Plans that compute their benefit payments on the basis of usual and customary fees, any amount in excess of the highest of the usual and customary fees for a specific benefit is not an Allowable Expense.

c. If a person is covered by two or more Coverage Plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an Allowable Expense.

d. If a person is covered by one Coverage Plan that calculates its benefits or services on the basis of usual and customary fees and another Coverage Plan that provides its benefits or services on the basis of negotiated fees, the Primary Coverage Plan's payment arrangements shall be the Allowable Expense for all Coverage Plans.

e. The amount a benefit is reduced by the Primary Coverage Plan because a Covered Person does not comply with the Coverage Plan provisions. Examples of these provisions are second surgical opinions, precertification of admissions, and preferred provider arrangements.

4. "Claim Determination Period" means a calendar year. However, it does not include any part of a year during which a person has no coverage under this Coverage Plan, or before the date this COB provision or a similar provision takes effect.

5. "Closed Panel Plan" is a Coverage Plan that provides health benefits to Covered Persons primarily in the form of services through a panel of providers that have contracted with or are employed by the Coverage Plan, and that limits or excludes benefits for services provided by other providers, except in cases of emergency or referral by a panel member.

6. "Custodial Parent" means a parent awarded custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than one half of the calendar year without regard to any temporary visitation.
Order of Benefit Determination Rules

When two or more Coverage Plans pay benefits, the rules for determining the order of payment are as follows:

A. The Primary Coverage Plan pays or provides its benefits as if the Secondary Coverage Plan or Coverage Plans did not exist.

B. A Coverage Plan that does not contain a coordination of benefits provision that is consistent with this provision or does not contain the same order of benefits provision is always primary. There is one exception: coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits may provide that the supplementary coverage shall be excess to any other parts of the Coverage Plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base Coverage Plan hospital and surgical benefits, and insurance type coverages that are written in connection with a closed panel Coverage Plan to provide out-of-network benefits.

C. A Coverage Plan may consider the benefits paid or provided by another Coverage Plan in determining its benefits only when it is secondary to that other Coverage Plan.

D. The first of the following rules that describes which Coverage Plan pays its benefits before another Coverage Plan is the rule to use.

1. Non-Dependent or Dependent. The Coverage Plan that covers the person other than as a dependent, for example as an employee, member, subscriber or retiree is primary and the Coverage Plan that covers the person as a dependent is secondary. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Coverage Plan covering the person as a dependent; and primary to the Coverage Plan covering the person as other than a dependent (e.g. a retired employee); then the order of benefits between the two Coverage Plans is reversed so that the Coverage Plan covering the person as an employee, member, subscriber or retiree is secondary and the other Coverage Plan is primary.

2. Child Covered Under More Than One Coverage Plan. The order of benefits when a child is covered by more than one Coverage Plan is:

   a. The Primary Coverage Plan is the Coverage Plan of the parent whose birthday is earlier in the year if:
      1) The parents are married;
      2) The parents are not separated (whether or not they ever have been married); or
      3) A court decree awards joint custody without specifying that one party has the responsibility to provide health care coverage.

      If both parents have the same birthday, the Coverage Plan that covered either of the parents longer is primary.

   b. If the specific terms of a court decree state that one of the parents is responsible for the child's health care expenses or health care coverage and the Coverage Plan of that parent has actual knowledge of those terms, that Coverage Plan is primary. This rule applies to claim determination periods or plan years commencing after the Coverage Plan is given notice of the court decree.

   c. If the parents are not married, or are separated (whether or not they ever have been married) or are divorced, the order of benefits is:
      1) The Coverage Plan of the custodial parent;
      2) The Coverage Plan of the spouse of the custodial parent;
      3) The Coverage Plan of the noncustodial parent; and then

      To continue reading, go to left column on next page.
4) The Coverage Plan of the spouse of the noncustodial parent.

3. Active or inactive employee. The Coverage Plan that covers a person as an employee who is neither laid off nor retired is primary. The same would hold true if a person is a dependent of a person covered as a retiree and an employee. If the other Coverage Plan does not have this rule, and if, as a result, the Coverage Plans do not agree on the order of benefits, this rule is ignored. Coverage provided an individual as a retired worker and as a dependent of an actively working spouse will be determined under the rule labeled D(1).

4. Continuation coverage. If a person whose coverage is provided under a right of continuation provided by federal or state law also is covered under another Coverage Plan, the Coverage Plan covering the person as an employee, member, subscriber or retiree (or as that person's dependent) is primary, and the continuation coverage is secondary. If the other Coverage Plan does not have this rule, and if, as a result, the Coverage Plans do not agree on the order of benefits, this rule is ignored.

5. Longer or shorter length of coverage. The Coverage Plan that covered the person as an employee, member, subscriber or retiree longer is primary.

6. If a husband or wife is covered under this Coverage Plan as a Participant and as an Enrolled Dependent, the dependent benefits will be coordinated as if they were provided under another Coverage Plan, this means the Participant's benefit will pay first.

7. If the preceding rules do not determine the Primary Coverage Plan, the Allowable Expenses shall be shared equally between the Coverage Plans meeting the definition of Coverage Plan under this provision. In addition, this Coverage Plan will not pay more than it would have paid had it been primary.

Effect on the Benefits of this Plan

A. When this Coverage Plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Coverage Plans during a claim determination period are not more than 100 percent of total Allowable Expenses. The difference between the benefit payments that this Coverage Plan would have paid had it been the Primary Coverage Plan, and the benefit payments that it actually paid or provided shall be recorded as a benefit reserve for the Covered Person and used by this Coverage Plan to pay any Allowable Expenses, not otherwise paid during the claim determination period. As each claim is submitted, this Coverage Plan will:

1. Determine its obligation to pay or provide benefits under its contract;
2. Determine whether a benefit reserve has been recorded for the Covered Person; and
3. Determine whether there are any unpaid Allowable Expenses during that claims determination period.

If there is a benefit reserve, the Secondary Coverage Plan will use the Covered Person's benefit reserve to pay up to 100 percent of total Allowable Expenses incurred during the claims determination period. At the end of the claim determination period, the benefit reserve returns to zero. A new benefit reserve must be created for each new claim determination period.

B. If a Covered Person is enrolled in two or more closed panel Coverage Plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one closed panel Coverage Plan, COB shall not apply between that Coverage Plan and other closed panel Coverage Plans.

C. This Coverage Plan reduces its benefits as described below for Covered Persons who are eligible for Medicare when Medicare would be the Primary Coverage Plan.

To continue reading, go to right column on this page.

To continue reading, go to left column on next page.
Medicare benefits are determined as if the full amount that would have been payable under Medicare was actually paid under Medicare, even if:

- The person is entitled but not enrolled for Medicare. Medicare benefits are determined as if the person were covered under Medicare Parts A and B.
- The person is enrolled in a Medicare+Choice (Medicare Part C) plan and receives non-covered services because the person did not follow all rules of that plan. Medicare benefits are determined as if the services were covered under Medicare Parts A and B.
- The person receives services from a provider who has elected to opt-out of Medicare. Medicare benefits are determined as if the services were covered under Medicare Parts A and B and the provider had agreed to limit charges to the amount of charges allowed under Medicare rules.
- The services are provided in any facility that is not eligible for Medicare reimbursements, including a Veterans Administration facility, facility of the Uniformed Services, or other facility of the federal government. Medicare benefits are determined as if the services were provided by a facility that is eligible for reimbursement under Medicare.
- The person is enrolled under a plan with a Medicare Medical Savings Account. Medicare benefits are determined as if the person were covered under Medicare Parts A and B.

**Right to Receive and Release Needed Information**

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this Coverage Plan and other Coverage Plans. The Plan Administrator may get the facts it needs from, or give them to, other organizations or persons for the purpose of applying these rules and determining benefits payable under this Coverage Plan and other Coverage Plans covering the person claiming benefits.

The Plan Administrator need not tell, or get the consent of, any person to do this. Each person claiming benefits under this Coverage Plan must give us any facts we need to apply those rules and determine benefits payable. If you do not provide us the information we need to apply these rules and determine the Benefits payable, your claim for Benefits will be denied.

**Payments Made**

A payment made under another Coverage Plan may include an amount that should have been paid under this Coverage Plan. If it does, we may pay that amount to the organization that made the payment. That amount will then be treated as though it were a benefit paid under this Coverage Plan. We will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services.

**Right of Recovery**

If the amount of the payments we made is more than we should have paid under this COB provision, we may recover the excess from one or more of the persons we have paid or for whom we have paid; or any other person or organization that may be responsible for the benefits or services provided for you. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.
Section 8: When Coverage Ends

This section provides you with information about all of the following:

• Events that cause coverage to end.
• The date your coverage ends.
• Continuation of coverage under federal law (COBRA).
• Conversion.

General Information about When Coverage Ends

We may discontinue this Benefit plan and/or all similar benefit plans at any time.

Your entitlement to Benefits automatically ends on the date that coverage ends, even if you are hospitalized or are otherwise receiving medical treatment on that date.

When your coverage ends, we will still pay claims for Covered Health Services that you received before your coverage ended. However, once your coverage ends, we do not provide Benefits for health services that you receive for medical conditions that occurred before your coverage ended, even if the underlying medical condition occurred before your coverage ended.

An Enrolled Dependent’s coverage ends on the date the Participant’s coverage ends.
Events Ending Your Coverage

Coverage ends on the earliest of the dates specified in the following table:

Coverage for a Handicapped Child

Coverage for an unmarried Enrolled Dependent child who is not able to be self-supporting because of mental retardation or a physical handicap will not end just because the child has reached a certain age. We will extend the coverage for that child beyond the limiting age if both of the following are true regarding the Enrolled Dependent child:

- Is not able to be self-supporting because of mental retardation or physical handicap.
- Depends mainly on the Participant for support.

Coverage will continue as long as the Enrolled Dependent is incapacitated and dependent unless coverage is otherwise terminated in accordance with the terms of the Plan.

We will ask you to furnish the Plan Administrator with proof of the child's incapacity and dependency within 31 days of the date coverage would otherwise have ended because the child reached a certain age. Before the Plan Administrator agrees to this extension of coverage for the child, the Plan Administrator may require that a Physician chosen by us examine the child. We will pay for that examination.

The Plan Administrator may continue to ask you for proof that the child continues to meet these conditions of incapacity and dependency. Such proof might include medical examinations at our expense. However, we will not ask for this information more than once a year.

If you do not provide proof of the child's incapacity and dependency within 31 days of the Plan Administrator's request as described above, coverage for that child will end.

Continuation of Coverage and Conversion

If your coverage ends under the Plan, you may be entitled to elect continuation coverage (coverage that continues on in some form) in accordance with federal law.

Continuation coverage under COBRA (the federal Consolidated Omnibus Budget Reconciliation Act) is available only to Plans that are subject to the terms of COBRA. You can contact your Plan Administrator to determine if we are subject to the provisions of COBRA.

If you selected continuation coverage under a prior plan which was then replaced by coverage under this Plan, continuation coverage will end as scheduled under the prior plan or in accordance with the terminating events listed below, whichever is earlier.

Continuation Coverage under Federal Law (COBRA)

Much of the language in this section comes from the federal law that governs continuation coverage. You should call your Plan Administrator if you have questions about your right to continue coverage.

In order to be eligible for continuation coverage under federal law, you must meet the definition of a "Qualified Beneficiary". A Qualified Beneficiary is any of the following persons who was covered under the Plan on the day before a qualifying event:

- A Participant.
- A Participant’s Enrolled Dependent, including with respect to the Participant’s children, a child born to or placed for adoption with the Participant during a period of continuation coverage under federal law.
• A Participant’s former spouse.

Qualifying Events for Continuation Coverage under Federal Law (COBRA)
If the coverage of a Qualified Beneficiary would ordinarily terminate due to one of the following qualifying events, then the Qualified Beneficiary is entitled to continue coverage. The Qualified Beneficiary is entitled to elect the same coverage that she or he had on the day before the qualifying event.

The qualifying events with respect to an employee who is a Qualified Beneficiary are:

A. Termination of employment, for any reason other than gross misconduct.
B. Reduction in the Participant’s hours of employment.

With respect to a Participant’s spouse or dependent child who is a Qualified Beneficiary, the qualifying events are:

A. Termination of the Participant’s employment (for reasons other than the Participant’s gross misconduct).
B. Reduction in the Participant’s hours of employment.
C. Death of the Participant.
D. Divorce or legal separation of the Participant.
E. Loss of eligibility by an Enrolled Dependent who is a child.
F. Entitlement of the Participant to Medicare benefits.
G. The Plan Sponsor’s commencement of a bankruptcy under Title 11, United States Code. This is also a qualifying event for any retired Participant and his or her Enrolled Dependents if there is a substantial elimination of coverage within one year before or after the date the bankruptcy was filed.

Notification Requirements and Election Period for Continuation Coverage under Federal Law (COBRA)

Notification Requirements for Qualifying Event
The Participant or other Qualified Beneficiary must notify the Plan Administrator within 60 days of the latest of the date of the following events:

• The Participant’s divorce or legal separation, or an Enrolled Dependent’s loss of eligibility as an Enrolled Dependent.
• The date the Qualified Beneficiary would lose coverage under the Plan.
• The date on which the Qualified Beneficiary is informed of his or her obligation to provide notice and the procedures for providing such notice.

The Participant or other Qualified Beneficiary must also notify the Plan Administrator when a second qualifying event occurs, which may extend continuation coverage.

If the Participant or other Qualified Beneficiary fails to notify the Plan Administrator of these events within the 60 day period, the Plan Administrator is not obligated to provide continued coverage under federal law, the Participant must notify the Plan Administrator within 60 days of the birth or adoption of a child.
**Notification Requirements for Disability Determination or Change in Disability Status**

The Participant or other Qualified Beneficiary must notify the Plan Administrator as described under "Terminating Events for Continuation Coverage under Federal Law (COBRA)," subsection A below.

The notice requirements will be satisfied by providing written notice to the Plan Administrator at the address stated in Attachment II to this Summary Plan Description. The contents of the notice must be such that the Plan Administrator is able to determine the covered employee and qualified beneficiary or beneficiaries, the qualifying event or disability, and the date on which the qualifying event occurred.

None of the above notice requirements will be enforced if the Participant or other Qualified Beneficiary is not informed of his or her obligations to provide such notice.

After providing notice to the Plan Administrator, the Qualified Beneficiary shall receive the continuation coverage and election notice. Continuation coverage must be elected by the later of 60 days after the qualifying event occurs; or 60 days after the Qualified Beneficiary receives notice of the continuation right from the Plan Administrator.

The Qualified Beneficiary’s initial premium due to the Plan Administrator must be paid on or before the 45th day after electing continuation.

The Trade Act of 2002 amended COBRA to provide for a special second 60-day COBRA election period for certain Participants who have experienced a termination or reduction of hours and who lose group health plan coverage as a result. The special second COBRA election period is available only to a very limited group of individuals: generally, those who are receiving trade adjustment assistance (TAA) or 'alternative trade adjustment assistance' under a federal law called the Trade Act of 1974. These Participants are entitled to a second opportunity to elect COBRA coverage for themselves and certain family members (if they did not already elect COBRA coverage), but only within a limited period of 60 days from the first day of the month when an individual begins receiving TAA (or would be eligible to receive TAA but for the requirement that unemployment benefits be exhausted) and only during the six months immediately after their group health plan coverage ended.

If a Participant qualifies or may qualify for assistance under the Trade Act of 1974, he or she should contact the Plan Administrator for additional information. The Participant must contact the Plan Administrator promptly after qualifying for assistance under the Trade Act of 1974 or the Participant will lose his or her special COBRA rights. COBRA coverage elected during the special second election period is not retroactive to the date that Plan coverage was lost, but begins on the first day of the special second election period.

**Terminating Events for Continuation Coverage under Federal Law (COBRA)**

Continuation under the Plan will end on the earliest of the following dates:

A. Eighteen months from the date of the qualifying event, if the Qualified Beneficiary's coverage would have ended because the Participant’s employment was terminated or hours were reduced (i.e., qualifying event A).

If a Qualified Beneficiary is determined to have been disabled under the Social Security Act at anytime within the first 60 days of continuation coverage for qualifying event A. then the Qualified Beneficiary may elect an additional 11 months of continuation coverage.
coverage (for a total of 29 months of continued coverage) subject to the following conditions:

— Notice of such disability must be provided within the latest of 60 days after:
  ♦ the determination of the disability; or
  ♦ the date of the qualifying event; or
  ♦ the date the Qualified Beneficiary would lose coverage under the Plan; and
  ♦ in no event later than the end of the first 18 months.

— The Qualified Beneficiary must agree to pay any increase in the required premium for the additional 11 months.

— If the Qualified Beneficiary who is entitled to the 11 months of coverage has non-disabled family members who are also Qualified Beneficiaries, then those non-disabled Qualified Beneficiaries are also entitled to the additional 11 months of continuation coverage.

Notice of any final determination that the Qualified Beneficiary is no longer disabled must be provided within 30 days of such determination. Thereafter, continuation coverage may be terminated on the first day of the month that begins more than 30 days after the date of that determination.

B. Thirty-six months from the date of the qualifying event for an Enrolled Dependent whose coverage ended because of the death of the Participant, divorce or legal separation of the Participant, or loss of eligibility by an Enrolled Dependent who is a child (i.e. qualifying events C., D., or E.).

C. With respect to Qualified Beneficiaries, and to the extent that the Participant was entitled to Medicare prior to the qualifying event:

— Eighteen months from the date of the Participant’s Medicare entitlement; or

— Thirty-six months from the date of the Participant’s Medicare entitlement, if a second qualifying event (that was due to either the Participant’s termination of employment or the Participant’s work hours being reduced) occurs prior to the expiration of the eighteen months.

D. With respect to Qualified Beneficiaries, and to the extent that the Participant became entitled to Medicare subsequent to the qualifying event:

— Thirty-six months from the date of the Participant’s termination from employment or work hours being reduced (first qualifying event) if:
  ♦ the Participant’s Medicare entitlement occurs within the eighteen month continuation period; and
  ♦ if, absent the first qualifying event, the Medicare entitlement would have resulted in a loss of coverage for the Qualified Beneficiary under the group health plan.

E. The date coverage terminates under the Plan for failure to make timely payment of the premium.

F. The date, after electing continuation coverage, that coverage is first obtained under any other group health plan. If such coverage contains a limitation or exclusion with respect to any pre-existing condition, continuation shall end on the date such limitation or exclusion ends. The other group health coverage shall be primary for all health services except those health services that are subject to the pre-existing condition limitation or exclusion.

G. The date, after electing continuation coverage, that the Qualified Beneficiary first becomes entitled to Medicare, except that this shall not apply in the event that coverage was terminated because the Plan Sponsor filed for bankruptcy, (i.e. qualifying event G.). If the Qualified Beneficiary was entitled to continuation because the Plan Sponsor filed for bankruptcy, (i.e. qualifying event G.). If the Qualified Beneficiary was entitled to continuation because the Plan Sponsor filed for bankruptcy, (i.e. qualifying event G.).
(Section 8: When Coverage Ends)

qualifying event G.) and the retired Participant dies during the continuation period, then the other Qualified Beneficiaries shall be entitled to continue coverage for 36 months from the date of the Participant’s death.

H. The date the entire Plan ends.
I. The date coverage would otherwise terminate under the Plan as described in this section under the heading *Events Ending Your Coverage*.

**Conversion**

If your coverage terminates for one of the reasons described below, you may apply for conversion coverage without furnishing evidence of insurability.

Reasons for termination:

- You cease to be eligible as a Participant or Enrolled Dependent.
- Continuation coverage ends.

This right to conversion coverage is contingent upon the exhaustion of COBRA continuation coverage.

Application and payment of the initial payment must be made to our designated carrier within 31 days after coverage ends under this Plan. Conversion coverage will be issued in accordance with the terms and conditions the designated carrier has in effect at the time of application. Conversion coverage may be substantially different from coverage provided under this Plan.
Section 9: General Legal Provisions

Plan Document
This Summary Plan Description presents an overview of your Benefits. In the event of any discrepancy between this Summary Plan Description and the official Plan Document, the Plan Document shall govern.

Relationship with Providers
The relationships between us, the Claims Administrator, and Network providers are solely contractual relationships between independent contractors. Network providers are not our agents or employees. Nor are they agents or employees of the Claims Administrator. Neither we nor any of our employees are agents or employees of Network providers.

We do not provide health care services or supplies, nor do we practice medicine. Instead, we pay Benefits. Network providers are independent practitioners who run their own offices and facilities. The credentialing process confirms public information about the providers’ licenses and other credentials, but does not assure the quality of the services provided. Network providers are not our employees or employees of the Claims Administrator; nor do we have any other relationship with Network providers such as principal-agent or joint venture. Neither we nor the Claims Administrator are liable for any act or omission of any provider.

The Claims Administrator is not considered to be an employer of the Plan Administrator for any purpose with respect to the administration or provision of benefits under this Plan.

We and the Plan Administrator are solely responsible for all of the following:

- Enrollment and classification changes (including classification changes resulting in your enrollment or the termination of your coverage).
- The timely payment of Benefits.
- Notifying you of the termination or modifications to the Plan.

Your Relationship with Providers
The relationship between you and any provider is that of provider and patient.

- You are responsible for choosing your own provider.
- You must decide if any provider treating you is right for you. This includes Network providers you choose and providers to whom you have been referred.
- You must decide with your provider what care you should receive.
- Your provider is solely responsible for the quality of the services provided to you.

The relationship between you and us is that of employer and employee, Dependent or other classification as defined in the Plan.

Incentives to Providers
The Claims Administrator pays Network providers through various types of contractual arrangements, some of which may include financial incentives to promote the delivery of health care in a cost efficient and effective manner. These financial incentives are not intended to affect your access to health care.

Examples of financial incentives for Network providers are:

- Bonuses for performance based on factors that may include quality, member satisfaction, and/or cost effectiveness.
- Capitation - a group of Network providers receives a monthly payment for each Covered Person who selects a Network provider within the group to perform or coordinate certain health services. The Network providers receive this monthly payment regardless of whether the cost of providing or arranging to provide the Covered Person's health care is less than or more than the payment.

The methods used to pay specific Network providers may vary. From time to time, the payment method may change. If you have questions about whether your Network provider's contract includes any financial incentives, we encourage you to discuss those questions with your provider. You may also contact the Claims Administrator at the telephone number on your ID card. They can advise whether your Network provider is paid by any financial incentive, including those listed above; however, the specific terms of the contract, including rates of payment, are confidential and cannot be disclosed.

Incentives to You
Sometimes the Claims Administrator may offer coupons or other incentives to encourage you to participate in various wellness programs or certain disease management programs. The decision about whether or not to participate is yours alone but we recommend that you discuss participating in such programs with your Physician. These incentives are not Benefits and do not alter or affect your Benefits. Contact the Claims Administrator if you have any questions.

Interpretation of Benefits
We and the Claims Administrator have sole and exclusive discretion to do all of the following:

- Interpret Benefits under the Plan.
- Interpret the other terms, conditions, limitations and exclusions of the Plan, including this SPD and any Riders and Amendments.
- Make factual determinations related to the Plan and its Benefits.

We and the Claims Administrator may delegate this discretionary authority to other persons or entities who provide services in regard to the administration of the Plan.

In certain circumstances, for purposes of overall cost savings or efficiency, we may, in our sole discretion, offer Benefits for services that would otherwise not be Covered Health Services. The fact that we do so in any particular case shall not in any way be deemed to require us to do so in other similar cases.

Administrative Services
We may, in our sole discretion, arrange for various persons or entities to provide administrative services in regard to the Plan, such as claims processing. The identity of the service providers and the nature of the services they provide may be changed from time to time in our sole discretion. We are not required to give you prior
notice of any such change, nor are we required to obtain your approval. You must cooperate with those persons or entities in the performance of their responsibilities.

Amendments to the Plan

We reserve the right, in our sole discretion and without your approval, to change, interpret, modify, withdraw or add Benefits or terminate the Plan. Plan Amendments and Riders are effective on the date we specify.

Any provision of the Plan which, on its effective date, is in conflict with the requirements of federal statutes or regulations, or applicable state law provisions not otherwise preempted by ERISA (of the jurisdiction in which the Plan is delivered) is hereby amended to conform to the minimum requirements of such statutes and regulations.

Any change or amendment to or termination of the Plan, its benefits or its terms and conditions, in whole or in part, shall be made solely in a written amendment (in the case of a change or amendment) or in a written resolution (in the case of a termination), whether prospective or retroactive, to the Plan, in accordance with the procedures established by us. Covered Persons will receive notice of any material modification to the Plan. No one has the authority to make any oral modification to the SPD.

Clerical Error

If a clerical error or other mistake occurs, that error does not create a right to Benefits. These errors include, but are not limited to, providing misinformation on eligibility or Benefit coverages or entitlements. It is your responsibility to confirm the accuracy of statements made by us or our designees, including the Claims Administrator, in accordance with the terms of this SPD and other Plan documents.

Information and Records

At times we or the Claims Administrator may need additional information from you. You agree to furnish us and/or the Claims Administrator with all information and proofs that we may reasonably require regarding any matters pertaining to the Plan. If you do not provide this information when we request it we may delay or deny payment of your Benefits.

By accepting Benefits under the Plan, you authorize and direct any person or institution that has provided services to you to furnish us or the Claims Administrator with all information or copies of records relating to the services provided to you. We or the Claims Administrator have the right to request this information at any reasonable time. This applies to all Covered Persons, including Enrolled Dependents whether or not they have signed the Participant’s enrollment form. We and the Claims Administrator agree that such information and records will be considered confidential.

We and the Claims Administrator have the right to release any and all records concerning health care services which are necessary to implement and administer the terms of the Plan, for appropriate medical review or quality assessment, or as we are required to do by law or regulation. During and after the term of the Plan, we, the Claims Administrator, and our related entities may use and transfer the information gathered under the Plan for research and analytic purposes.

For complete listings of your medical records or billing statements we recommend that you contact your health care provider. Providers
may charge you reasonable fees to cover their costs for providing records or completing requested forms.

If you request medical forms or records from us, we also may charge you reasonable fees to cover costs for completing the forms or providing the records.

In some cases, we or the Claims Administrator will designate other persons or entities to request records or information from or related to you, and to release those records as necessary. Such designees have the same rights to this information as the Plan Administrator.

Examination of Covered Persons
In the event of a question or dispute regarding your right to Benefits, we may require that a Network Physician of our choice examine you at our expense.

Workers’ Compensation not Affected
Benefits provided under the Plan do not substitute for and do not affect any requirements for coverage by workers’ compensation insurance.

Medicare Eligibility
Benefits under the Plan are not intended to supplement any coverage provided by Medicare. Nevertheless, in some circumstances Covered Persons who are eligible for or enrolled in Medicare may also be enrolled under the Plan.

If you are eligible for or enrolled in Medicare, please read the following information carefully.

If you are eligible for Medicare on a primary basis (Medicare pays before Benefits under the Plan), you should enroll for and maintain coverage under both Medicare Part A and Part B. If you don’t enroll and maintain that coverage, and if we are the secondary payer as described in (Section 7: Coordination of Benefits), we will pay Benefits under the Plan as if you were covered under both Medicare Part A and Part B. As a result, you will be responsible for the costs that Medicare would have paid and you will incur a larger out-of-pocket cost.

If you are enrolled in a Medicare+Choice (Medicare Part C) plan on a primary basis (Medicare pays before Benefits under the Plan), you should follow all rules of that plan that require you to seek services from that plan’s participating providers. When we are the secondary payer, we will pay any Benefits available to you under the Plan as if you had followed all rules of the Medicare+Choice plan. You will be responsible for any additional costs or reduced Benefits that result from your failure to follow these rules, and you will incur a larger out-of-pocket cost.

Subrogation and Reimbursement
Subrogation is the substitution of one person or entity in the place of another with reference to a lawful claim, demand or right. Immediately upon paying or providing any Benefit, we shall be subrogated to and shall succeed to all rights of recovery, under any legal theory of any type, for the reasonable value of any services and Benefits we provided to you, from any or all of the following listed below.

In addition to any subrogation rights and in consideration of the coverage provided by this Plan, we shall also have an independent
right to be reimbursed by you for the reasonable value of any services and Benefits we provide to you, from any or all of the following listed below:

- Third parties, including any person alleged to have caused you to suffer injuries or damages.
- Your employer.
- Any person or entity who is or may be obligated to provide benefits or payments to you, including benefits or payments for underinsured or uninsured motorist protection, no-fault or traditional auto insurance, medical payment coverage (auto, homeowners or otherwise), workers’ compensation coverage, other insurance carriers or third party administrators.
- Any person or entity who is liable for payment to you on any equitable or legal liability theory.

These third parties and persons or entities are collectively referred to as "Third Parties".

You agree as follows:

- That you will cooperate with us in protecting our legal and equitable rights to subrogation and reimbursement, including, but not limited to:
  - providing any relevant information requested by us,
  - signing and/or delivering such documents as we or our agents reasonably request to secure the subrogation and reimbursement claim,
  - responding to requests for information about any accidents or injuries,
  - making court appearances, and
  - obtaining our consent or our agents’ consent before releasing any party from liability or payment of medical expenses.
- That failure to cooperate in this manner shall be deemed a breach of contract, and may result in the termination of health benefits or the instigation of legal action against you.
- That we have the sole authority and discretion to resolve all disputes regarding the interpretation of the language stated herein.
- That no court costs or attorneys’ fees may be deducted from our recovery without our express written consent; any so-called "Fund Doctrine" or "Common Fund Doctrine" or "Attorney’s Fund Doctrine" shall not defeat this right, and we are not required to participate in or pay court costs or attorneys’ fees to the attorney hired by you to pursue your damage/personal injury claim.
- That regardless of whether you have been fully compensated or made whole, we may collect from you the proceeds of any full or partial recovery that you or your legal representative obtain, whether in the form of a settlement (either before or after any determination of liability) or judgment, with such proceeds available for collection to include any and all amounts earmarked as non-economic damage settlement or judgment.
- That benefits paid by us may also be considered to be benefits advanced.
- That you agree that if you receive any payment from any potentially responsible party as a result of an injury or illness, whether by settlement (either before or after any determination of liability), or judgment, you will serve as a constructive trustee over the funds, and failure to hold such funds in trust will be deemed as a breach of your duties hereunder.
• That you or an authorized agent, such as your attorney, must hold any funds due and owing us, as stated herein, separately and alone, and failure to hold funds as such will be deemed as a breach of contract, and may result in the termination of health benefits or the instigation of legal action against you.

• That we may set off from any future benefits otherwise provided by us the value of benefits paid or advanced under this section to the extent not recovered by us.

• That you will not accept any settlement that does not fully compensate or reimburse us without our written approval, nor will you do anything to prejudice our rights under this provision.

• That you will assign to us all rights of recovery against Third Parties, to the extent of the reasonable value of services and Benefits we provided, plus reasonable costs of collection.

• That our rights will be considered as the first priority claim against Third Parties, including tortfeasors for whom you are seeking recovery, to be paid before any other of your claims are paid.

• That we may, at our option, take necessary and appropriate action to preserve our rights under these subrogation provisions, including filing suit in your name, which does not obligate us in any way to pay you part of any recovery we might obtain.

• That we shall not be obligated in any way to pursue this right independently or on your behalf.

Refund of Overpayments
If we pay Benefits for expenses incurred on account of a Covered Person, that Covered Person, or any other person or organization that was paid, must make a refund to us if either of the following apply:

• All or some of the expenses were not paid by the Covered Person or did not legally have to be paid by the Covered Person.

• All or some of the payment we made exceeded the Benefits under the Plan.

The refund equals the amount we paid in excess of the amount we should have paid under the Plan. If the refund is due from another person or organization, the Covered Person agrees to help us get the refund when requested.

If the Covered Person, or any other person or organization that was paid, does not promptly refund the full amount, we may reduce the amount of any future Benefits that are payable under the Plan. The reductions will equal the amount of the required refund. We may have other rights in addition to the right to reduce future benefits.

Limitation of Action
If you want to bring a legal action against us or the Claims Administrator you must do so within three years from the expiration of the time period in which a request for reimbursement must be submitted or you lose any rights to bring such an action against us or the Claims Administrator.

You cannot bring any legal action against us or the Claims Administrator for any other reason unless you first complete all the steps in the appeal process described in this document. After completing that process, if you want to bring a legal action against us or the Claims Administrator you must do so within three years of the date you are notified of our final decision on your appeal, or you lose any rights to bring such an action against us or the Claims Administrator.
Section 10: Glossary of Defined Terms

This section:
- Defines the terms used throughout this SPD.
- Is not intended to describe Benefits.

Alternate Facility - a health care facility that is not a Hospital and that provides one or more of the following services on an outpatient basis, as permitted by law:

- Surgical services.
- Emergency Health Services.
- Rehabilitative, laboratory, diagnostic or therapeutic services.

An Alternate Facility may also provide Mental Health Services or Substance Abuse Services on an outpatient or inpatient basis.

Amendment - any attached written description of additional or alternative provisions to the Plan. Amendments are effective only when signed by us or the Plan Administrator. Amendments are subject to all conditions, limitations and exclusions of the Plan, except for those that are specifically amended.

Annual Deductible - the amount you must pay for Covered Health Services in a calendar year before we will begin paying for Non-Network Benefits in that calendar year.

Any amount you pay for medical expenses in the last three months of the previous calendar year that is applied to the previous Annual Deductible, will be carried over and applied to the current Annual Deductible. This carry-over feature applies only to the individual Annual Deductible.

Benefits - your right to payment for Covered Health Services that are available under the Plan. Your right to Benefits is subject to the terms, conditions, limitations and exclusions of the Plan, including this SPD and any attached Riders and Amendments.

Claims Administrator - the company (including its affiliates) that provides certain claim administration services for the Plan. For this Plan, United Healthcare Insurance Company.

Congenital Anomaly - a physical developmental defect that is present at birth, and is identified within the first twelve months of birth.

Copayment - the charge you are required to pay for certain Covered Health Services. A Copayment may be either a set dollar amount or a percentage of Eligible Expenses.

Cosmetic Procedures - procedures or services that change or improve appearance without significantly improving physiological function, as determined by the Claims Administrator on our behalf.

Covered Health Service(s) - those health services provided for the purpose of preventing, diagnosing or treating a Sickness, Injury, Mental Illness, substance abuse, or their symptoms.

A Covered Health Service is a health care service or supply described in (Section 1: What's Covered--Benefits) as a Covered
Health Service, which is not excluded under (Section 2: What's Not Covered—Exclusions).

**Covered Person** - either the Participant or an Enrolled Dependent, but this term applies only while the person is enrolled under the Plan. References to "you" and "your" throughout this SPD are references to a Covered Person.

**Custodial Care** - services that:

- Are non-health related services, such as assistance in activities of daily living (including but not limited to feeding, dressing, bathing, transferring and ambulating); or
- Are health-related services which do not seek to cure, or which are provided during periods when the medical condition of the patient who requires the service is not changing; or
- Do not require continued administration by trained medical personnel in order to be delivered safely and effectively.

**Dependent** - the Participant's legal spouse or an unmarried dependent child of the Participant or the Participant's spouse. The term child includes any of the following:

- A natural child.
- A stepchild.
- A legally adopted child.
- A child placed for adoption.
- A child for whom legal guardianship has been awarded to the Participant or the Participant's spouse.

The definition of Dependent is subject to the following conditions and limitations:

- A Dependent includes any unmarried dependent child under 19 years of age.
- A Dependent includes an unmarried dependent child who is 19 years of age or older, but less than 24 years of age only if you furnish evidence upon our request, satisfactory to us, of all the following conditions:
  - The child must be a full-time student; or
  - The child must not be regularly employed;
  - The child must be primarily dependent upon the Participant for support and maintenance.

Coverage will continue for a child meeting the conditions set forth above until the end of the year of the child’s 24th birthday.

The Participant must reimburse us for any Benefits that we pay for a child at a time when the child did not satisfy these conditions.

A Dependent also includes a child for whom health care coverage is required through a ‘Qualified Medical Child Support Order’ or other court or administrative order. We are responsible for determining if an order meets the criteria of a Qualified Medical Child Support Order.

A Dependent does not include anyone who is also enrolled as a Participant. No one can be a Dependent of more than one Participant.

**Designated Facility** - a facility that has entered into an agreement on behalf of the facility and its affiliated staff with the Claims Administrator or with an organization contracting on its behalf to render Covered Health Services for the treatment of specified diseases or conditions. A Designated Facility may or may not be located within your geographic area. The fact that a Hospital is a Network Hospital does not mean that it is a Designated Facility.
**Durable Medical Equipment** - medical equipment that is all of the following:

- Can withstand repeated use.
- Is not disposable.
- Is used to serve a medical purpose with respect to treatment of a Sickness, Injury or their symptoms.
- Is generally not useful to a person in the absence of a Sickness, Injury or their symptoms.
- Is appropriate for use in the home.

**Eligible Expenses** - for Covered Health Services incurred while the Plan is in effect, Eligible Expenses are determined as stated below:

For Network Benefits, Eligible Expenses are based on either of the following:

- When Covered Health Services are received from Network providers, Eligible Expenses are the contracted fee(s) with that provider.
- When Covered Health Services are received from non-Network providers as a result of an Emergency or as otherwise arranged through the Claims Administrator, Eligible Expenses are billed charges unless a lower amount is negotiated.

For Non-Network Benefits, Eligible Expenses are based on either of the following:

- When Covered Health Services are received from non-Network providers, Eligible Expenses are determined, at the Claims Administrator's discretion, based on:
  - Fee(s) that are negotiated with the provider.
  - 140% of the published rates allowed by Medicare for the same or similar service.
  - 50% of the billed charge.
  - A fee schedule that the Claims Administrator develops.
- When Covered Health Services are received from Network providers, Eligible Expenses are the contracted fee(s) with that provider.

Eligible Expenses are determined solely in accordance with the Claims Administrator's reimbursement policy guidelines. The reimbursement policy guidelines are developed, in the Claims Administrator's discretion, following evaluation and validation of all provider billings in accordance with one or more of the following methodologies:

- As indicated in the most recent edition of the Current Procedural Terminology (CPT), a publication of the American Medical Association, and/or the Centers for Medicare and Medicaid Services (CMS).
- As reported by generally recognized professionals or publications.
- As used for Medicare.
- As determined by medical staff and outside medical consultants pursuant to other appropriate source or determination that the Claims Administrator accepts.

**Eligible Person** - a regular full-time or part-time employee as defined by the Plan Sponsor.
Emergency - a serious medical condition or symptom resulting from Injury, Sickness or Mental Illness which is both of the following:

- Arises suddenly.
- In the judgment of a reasonable person, requires immediate care and treatment, generally received within 24 hours of onset, to avoid jeopardy to life or health.

Emergency Health Services - health care services and supplies necessary for the treatment of an Emergency.

Enrolled Dependent - a Dependent who is properly enrolled under the Plan.

Experimental or Investigational Services - medical, surgical, diagnostic, psychiatric, substance abuse or other health care services, technologies, supplies, treatments, procedures, drug therapies or devices that, at the time we make a determination regarding coverage in a particular case, are determined to be any of the following:

- Not approved by the U.S. Food and Drug Administration (FDA) to be lawfully marketed for the proposed use and not identified in the American Hospital Formulary Service or the United States Pharmacopoeia Dispensing Information as appropriate for the proposed use.
- Subject to review and approval by any institutional review board for the proposed use.
- The subject of an ongoing clinical trial that meets the definition of a Phase 1, 2 or 3 clinical trial set forth in the FDA regulations, regardless of whether the trial is actually subject to FDA oversight.

If you have a life-threatening Sickness or condition (one which is likely to cause death within one year of the request for treatment) we may, in our discretion, determine that an Experimental or Investigational Service meets the definition of a Covered Health Service for that Sickness or condition. For this to take place, we must determine that the procedure or treatment is promising, but unproven, and that the service uses a specific research protocol that meets standards equivalent to those defined by the National Institutes of Health.

Full-time Student - a person who is enrolled in and attending, full-time, a recognized course of study or training at one of the following:

- An accredited high school.
- An accredited college or university.
- A licensed vocational school, technical school, beautician school, automotive school or similar training school.

Full-time Student status is determined in accordance with the standards set forth by the educational institution. You are no longer a Full-time Student at the end of the calendar year during which you graduate or otherwise cease to be enrolled and in attendance at the institution on a full-time basis.

You continue to be a Full-time Student during periods of regular vacation established by the institution. If you do not continue as a Full-time Student immediately following the period of vacation, the Full-time Student designation will end as described above.

Home Health Agency - a program or organization authorized by law to provide health care services in the home.

To continue reading, go to right column on this page.
Hospital - an institution, operated as required by law, that is both of the following:

- Is primarily engaged in providing health services, on an inpatient basis, for the acute care and treatment of injured or sick individuals. Care is provided through medical, diagnostic and surgical facilities, by or under the supervision of a staff of Physicians.
- Has 24 hour nursing services.

A Hospital is not primarily a place for rest, custodial care or care of the aged and is not a nursing home, convalescent home or similar institution.

Initial Enrollment Period - the initial period of time, as determined by the Plan Administrator, during which Eligible Persons may enroll themselves and their Dependents under the Plan.

Injury - bodily damage other than Sickness, including all related conditions and recurrent symptoms.

Inpatient Rehabilitation Facility - a Hospital (or a special unit of a Hospital that is designated as an Inpatient Rehabilitation Facility) that provides rehabilitation health services (physical therapy, occupational therapy and/or speech therapy) on an inpatient basis, as authorized by law.

Inpatient Stay - an uninterrupted confinement, following formal admission to a Hospital, Skilled Nursing Facility or Inpatient Rehabilitation Facility.

Maximum Plan Benefit - the maximum amount that we will pay for Benefits during the entire period of time that you are enrolled under the Plan, or any other plan of the Plan Sponsor. When the Maximum Plan Benefit applies, it is described in (Section 1: What's Covered--Benefits).

Medicare - Parts A, B, and C of the insurance program established by Title XVIII, United States Social Security Act, as amended by 42 U.S.C. Sections 1394, et seq. and as later amended.

Mental Health Services - Covered Health Services for the diagnosis and treatment of Mental Illnesses. The fact that a condition is listed in the current Diagnostic and Statistical Manual of the American Psychiatric Association does not mean that treatment for the condition is a Covered Health Service.

Mental Health/Substance Abuse Designee - the organization or individual, designated by the Claims Administrator, that provides or arranges Mental Health Services and Substance Abuse Services for which Benefits are available under the Plan.

Mental Illness - those mental health or psychiatric diagnostic categories that are listed in the current Diagnostic and Statistical Manual of the American Psychiatric Association, unless those services are specifically excluded under the Plan.

Network - when used to describe a provider of health care services, this means a provider that has a participation agreement in effect (either directly or indirectly) with the Claims Administrator or with their affiliate to participate in the Claims Administrator's Network; however, this does not include those providers who have agreed to discount their charges for Covered Health Services. The Claims Administrator's affiliates are those entities affiliated with them through common ownership or control with the Claims Administrator or with its ultimate corporate parent, including direct and indirect subsidiaries.

A provider may enter into an agreement to provide only certain Covered Health Services, but not all Covered Health Services, or to be a Network provider for only some of the Claims Administrator's products. In this case, the provider will be a Network provider for the Covered Health Services and products included in the

participation agreement, and a non-Network provider for other Covered Health Services and products. The participation status of providers will change from time to time.

**Network Benefits** - Benefits for Covered Health Services that are provided by a Network Physician or other Network provider in the provider's office or at a Network or non-Network facility.

**Non-Network Benefits** - Benefits for Covered Health Services that are provided by a non-Network Physician either at a Network facility or at a non-Network facility.

**Open Enrollment Period** - a period of time that follows the Initial Enrollment Period during which Eligible Persons may enroll themselves and Dependents under the Plan, as determined by us.

**Out-of-Pocket Maximum** - the maximum amount of Copayments you pay every calendar year. If you use both Network Benefits and Non-Network Benefits, two separate Out-of-Pocket Maximums apply. Once you reach the Out-of-Pocket Maximum for Network Benefits, Benefits for those Covered Health Services that apply to the Out-of-Pocket Maximum are payable at 100% of Eligible Expenses during the rest of that calendar year. Once you reach Out-of-Pocket Maximum for Non-Network Benefits, Benefits for those Covered Health Services that apply to the Out-of-Pocket Maximum are payable at 100% of Eligible Expenses during the rest of that calendar year.

Copayments for some Covered Health Services will never apply to the Out-of-Pocket Maximum, as specified in (Section 1: What's Covered--Benefits) and those Benefits will never be payable at 100% even when the Out-of-Pocket Maximum is reached.

The following costs will never apply to the Out-of-Pocket Maximum:

- Any charges for non-Covered Health Services;
- Copayments for Covered Health Services available by an optional Rider.
- The amount of any reduced Benefits if you don't notify the Claims Administrator as described in (Section 1: What's Covered--Benefits) under the Must You Notify the Claims Administrator? column.
- Charges that exceed Eligible Expenses.
- Any Copayments for Covered Health Services in (Section 1: What's Covered--Benefits) that do not apply to the Out-of-Pocket Maximum.
- The Annual Deductible.

Even when the Out-of-Pocket Maximum has been reached, you will still be required to pay:

- Any charges for non-Covered Health Services.
- Charges that exceed Eligible Expenses.
- The amount of any reduced Benefits if you don't notify the Claims Administrator as described in (Section 1: What's Covered--Benefits) under the Must You Notify the Claims Administrator? column.
- Copayments for Covered Health Services available by an optional Rider.
- Copayments for Covered Health Services in (Section 1: What's Covered--Benefits) that are subject to Copayments that do not apply to the Out-of-Pocket Maximum.

**Participant** - an Eligible Person who is properly enrolled under the Plan. The Participant is the person (who is not a Dependent) on whose behalf the Plan is established.
**Physician** - any Doctor of Medicine, "M.D.", or Doctor of Osteopathy, "D.O.", who is properly licensed and qualified by law.

Please Note: Any podiatrist, dentist, psychologist, chiropractor, optometrist, or other provider who acts within the scope of his or her license will be considered on the same basis as a Physician. The fact that we describe a provider as a Physician does not mean that Benefits for services from that provider are available to you under the Plan.

**Plan** - United HealthCare Choice Plus Plan for Southwestern Ohio Educational Purchasing Council (EPC Schools) Health Benefit Plan.

**Plan Administrator** - is EPC Schools or its designee as that term is defined under ERISA.

**Plan Sponsor** - EPC Schools. References to "we", "us", and "our" throughout the SPD refer to the Plan Sponsor.

**Pregnancy** - includes all of the following:

- Prenatal care.
- Postnatal care.
- Childbirth.
- Any complications associated with Pregnancy.

**Rider** - any attached written description of additional Covered Health Services not described in this SPD. Riders are effective only when signed by us and are subject to all conditions, limitations and exclusions of the Plan except for those that are specifically amended in the Rider.

**Routine Network Vision Care Provider** – the organization entity or individual described by the Claims Administrator that provides vision services for which benefits are available under the Plan.

**Semi-private Room** - a room with two or more beds. When an Inpatient Stay in a Semi-private Room is a Covered Health Service, the difference in cost between a Semi-private Room and a private room is a Benefit only when a private room is necessary in terms of generally accepted medical practice, or when a Semi-private Room is not available.

**Sickness** - physical illness, disease or Pregnancy. The term Sickness as used in this SPD does not include Mental Illness or substance abuse, regardless of the cause or origin of the Mental Illness or substance abuse.

**Skilled Nursing Facility** - a Hospital or nursing facility that is licensed and operated as required by law.

**Spinal Treatment** - detection or correction (by manual or mechanical means) of subluxation(s) in the body to remove nerve interference or its effects. The interference must be the result of, or related to, distortion, misalignment or subluxation of, or in, the vertebral column.

**Substance Abuse Services** - Covered Health Services for the diagnosis and treatment of alcoholism and substance abuse disorders that are listed in the current Diagnostic and Statistical Manual of the American Psychiatric Association, unless those services are specifically excluded. The fact that a disorder is listed in the Diagnostic and Statistical Manual of the American Psychiatric Association does not mean that treatment of the disorder is a Covered Health Service.

**Unproven Services** - services that are not consistent with conclusions of prevailing medical research which demonstrate that the health service has a beneficial effect on health outcomes and that are not based on trials that meet either of the following designs.
• Well-conducted randomized controlled trials. (Two or more treatments are compared to each other, and the patient is not allowed to choose which treatment is received.)

• Well-conducted cohort studies. (Patients who receive study treatment are compared to a group of patients who receive standard therapy. The comparison group must be nearly identical to the study treatment group.)

Decisions about whether to cover new technologies, procedures and treatments will be consistent with conclusions of prevailing medical research, based on well-conducted randomized trials or cohort studies, as described.

If you have a life-threatening Sickness or condition (one that is likely to cause death within one year of the request for treatment) we and the Claims Administrator may, in our discretion, determine that an Unproven Service meets the definition of a Covered Health Service for that Sickness or condition. For this to take place, we and the Claims Administrator must determine that the procedure or treatment is promising, but unproven, and that the service uses a specific research protocol that meets standards equivalent to those defined by the National Institutes of Health.

**Urgent Care Center** - a facility, other than a Hospital, that provides Covered Health Services that are required to prevent serious deterioration of your health, and that are required as a result of an unforeseen Sickness, Injury, or the onset of acute or severe symptoms.

Outpatient Prescription Drug Rider

This Rider to the Summary Plan Description provides Benefits for outpatient Prescription Drug Products.

Benefits are provided for outpatient Prescription Drug Products at either a Network Pharmacy or a non-Network Pharmacy.

Because this Rider is part of a legal document, we want to give you information about the document that will help you understand it. Certain capitalized words have special meanings. We have defined these words in (Section 10: Glossary of Defined Terms) of the Summary Plan Description and in (Section 3: Glossary of Defined Terms) of this Rider.

When we use the words "we," "us," and "our" in this document, we are referring to Plan Sponsor. When we use the words "you" and "your" we are referring to people who are Covered Persons as the term is defined in the Summary Plan Description (Section 10: Glossary of Defined Terms).

NOTE: The Coordination of Benefits provision (Section 7: Coordination of Benefits) in the Summary Plan Description does not apply to Prescription Drug Products covered through this Rider. Prescription Drug Product Benefits will not be coordinated with those of any other health coverage plan.
Introduction

Benefits for Outpatient Prescription Drug Products
Benefits are available for Outpatient Prescription Drug Products on the Prescription Drug List at either a Network Pharmacy or a non-Network Pharmacy and are subject to Copayments or other payments that vary depending on which of the three tiers of the Prescription Drug List the Outpatient Prescription Drug is listed.

Coverage Policies and Guidelines
The Claims Administrator's Prescription Drug List ("PDL") Management Committee is authorized to make tier placement changes on our behalf. The PDL Management Committee makes the final classification of an FDA-approved Prescription Drug Product to a certain tier by considering a number of factors including, but not limited to, clinical and economic factors. Clinical factors may include, but are not limited to, evaluations of the place in therapy, relative safety or relative efficacy of the Prescription Drug Product, as well as whether supply limits or notification requirements should apply. Economic factors may include, but are not limited to, the Prescription Drug Product's acquisition cost including, but not limited to, available rebates, and assessments on the cost effectiveness of the Prescription Drug Product.

The Claims Administrator may periodically change the placement of a Prescription Drug Product among the tiers. These changes generally will occur quarterly, but no more than six times per calendar year. These changes may occur without prior notice to you. When considering a Prescription Drug Product for tier placement, the PDL Management Committee reviews clinical and economic factors regarding Covered Persons as a general population. Whether a particular Prescription Drug Product is appropriate for an individual Covered Person is a determination that is made by the Covered Person and the prescribing Physician.

NOTE: The tier status of a Prescription Drug Product may change periodically based on the process described above. As a result of such changes, you may be required to pay more or less for that Prescription Drug Product. Please access www.myuhc.com through the Internet, or call the Customer Service number on your ID card for the most up-to-date tier status.

Identification Card (ID Card) - Network Pharmacy
You must either show your ID card at the time you obtain your Prescription Drug Product at a Network Pharmacy or you must provide the Network Pharmacy with identifying information that can be verified during regular business hours.

If you don't show your ID card or provide verifiable information at a Network Pharmacy, you will be required to pay the Usual and Customary Charge for the Prescription Drug Product at the pharmacy.

You may seek reimbursement from us as described in the Summary Plan Description (Section 5: How to File a Claim). When you submit a claim on this basis, you may pay more because you failed to verify your eligibility when the Prescription Drug Product was dispensed.
The amount you are reimbursed will be based on the Prescription Drug Cost, less the required Copayment.

**Designated Pharmacies**
If you require certain Prescription Drug Products, the Claims Administrator may direct you to a Designated Pharmacy with whom they have an exclusive arrangement to provide those Prescription Drug Products.

In this case, Benefits will only be paid if your Prescription Order or Refill is obtained from the Designated Pharmacy.

**Limitation on Selection of Pharmacies**
If we determine that you may be using Prescription Drug Products in a harmful or abusive manner, or with harmful frequency, your selection of Network Pharmacies may be limited. If this happens, we may require you to select a single Network Pharmacy that will provide and coordinate all future pharmacy services. Benefits will be paid only if you use the designated single Network Pharmacy. If you don't make a selection within 31 days of the date we notify you, we will select a single Network Pharmacy for you.

**Rebates and Other Payments**
We and the Claims Administrator may receive rebates for certain drugs included on the Prescription Drug List. These rebates are not considered in calculating any percentage Copayments. We or the Claims Administrator are not required to pass on to you, and do not pass on to you, amounts payable to us or the Claims Administrator under rebate programs or other such discounts.

The Claims Administrator, and a number of its affiliated entities, conduct business with various pharmaceutical manufacturers. They may also receive rebates or discounts from pharmaceutical manufacturers. These arrangements do not affect your benefits under this drug plan.

Separate and apart from this Outpatient Prescription Drug Rider, such business may include, but is not limited to, data collection, consulting, educational grants and research. Amounts received from pharmaceutical manufacturers pursuant to such arrangements are not related to this Outpatient Prescription Drug Rider. The Claims Administrator is not required to pass on to you, and does not pass on to you, such amounts.

**Coupons, Incentives and Other Communications**
At various times, we or the Claims Administrator may send mailings to you or to your Physician that communicate a variety of messages, including information about Prescription Drug Products. These mailings may contain coupons or offers from pharmaceutical manufacturers that enable you, at your discretion, to purchase the described drug product at a discount or to obtain it at no charge. Pharmaceutical manufacturers may pay for and/or provide the content for these mailings. Only your Physician can determine whether a change in your Prescription Order or Refill is appropriate for your medical condition.
Section 1: What's Covered--Prescription Drug Benefits

We provide Benefits under the Plan for outpatient Prescription Drug Products:
- Designated as covered at the time the Prescription Order or Refill is dispensed when obtained from a Network or non-Network Pharmacy.
- Refer to exclusions in your Summary Plan Description (Section 2: What's Not Covered--Exclusions) and as listed in Section 2 of this Rider.

Benefits for Outpatient Prescription Drug Products
Benefits for outpatient Prescription Drug Products are available when the outpatient Prescription Drug Product meets the definition of a Covered Health Service or is prescribed to prevent conception.

When a Brand-name Drug Becomes Available as a Generic
When a Generic becomes available for a Brand-name Prescription Drug Product, the tier placement of the Brand-name Prescription Drug Product may change, and therefore your Copayment may change. You will pay the Copayment applicable for the tier to which the Prescription Drug Product is assigned.

Supply Limits
Benefits for Prescription Drug Products are subject to the supply limits that are stated in the "Description of Pharmacy Type and Supply Limits" column of the Benefit Information table. For a single Copayment, you may receive a Prescription Drug Product up to the stated supply limit.

Note: Some products are subject to additional supply limits based on criteria that the Claims Administrator has developed, subject to its periodic review and modification. The limit may restrict the amount dispensed per Prescription Order or Refill and/or the amount dispensed per month's supply.

You may determine whether a Prescription Drug Product has been assigned a maximum quantity level for dispensing through the Internet at www.myuhc.com or by calling Customer Service at the telephone number on your ID card.

Notification Requirements
Before certain Prescription Drug Products are dispensed to you, either your Physician, your pharmacist or you are required to notify the Claims Administrator or its designee. The reason for notification is to determine whether the Prescription Drug Product, in accordance with our approved guidelines, is each of the following:
• It meets the definition of a Covered Health Service.
• It is not Experimental, Investigational or Unproven.

**Network Pharmacy Notification**

When Prescription Drug Products are dispensed at a Network Pharmacy, the prescribing provider, the pharmacist, or you are responsible for notifying the Claims Administrator.

**Non-Network Pharmacy Notification**

When Prescription Drug Products are dispensed at a non-Network Pharmacy, you or your Physician are responsible for notifying the Claims Administrator as required.

If the Claims Administrator is not notified before the Prescription Drug Product is dispensed, you may pay more for that Prescription Order or Refill. The Prescription Drug Products requiring notification are subject to periodic review and modification. You may determine whether a particular Prescription Drug Product requires notification through the Internet at www.myuhc.com or by calling the Customer Service number on your ID card.

If the Claims Administrator is not notified before the Prescription Drug Product is dispensed, you can ask us to consider reimbursement after you receive the Prescription Drug Product. You will be required to pay for the Prescription Drug Product at the pharmacy. The contracted pharmacy reimbursement rates (the Prescription Drug Cost) will not be available to you at a non-Network Pharmacy. You may seek reimbursement from us as described in the Summary Plan Description (Section 5: How to File a Claim).

When you submit a claim on this basis, you may pay more because you did not notify the Claims Administrator before the Prescription Drug Product was dispensed. The amount you are reimbursed will be based on the Prescription Drug Cost (for Prescription Drug Products from a Network Pharmacy) or the Predominant Reimbursement Rate (for Prescription Drug Products from a non-Network Pharmacy), less the required Copayment.

Benefits may not be available for the Prescription Drug Product after the documentation provided is reviewed and it is determined that the Prescription Drug Product is not a Covered Health Service or it is Experimental, Investigational or Unproven.

**What You Must Pay**

You are responsible for paying the applicable Copayment described in the Benefit Information table when Prescription Drug Products are obtained from a retail or home delivery pharmacy.

The amount you pay for any of the following under this Rider will not be included in calculating any Out-of-Pocket Maximum stated in your Summary Plan Description:

• Copayments for Prescription Drug Products.
• Any non-covered drug product. You are responsible for paying 100% of the cost (the amount the pharmacy charges you) for any non-covered drug product and our contracted rates (our Prescription Drug Cost) will not be available to you.

| **Copayment**| Copayments for a Prescription Drug Product at a Network Pharmacy can be either a specific dollar amount or a percentage of the Prescription Drug Cost. Copayments for a Prescription Drug Product at a non-Network Pharmacy can be either a specific dollar amount or a percentage of the Predominant Reimbursement Rate. Your Copayment is determined by the tier to which the Claims Administrator's Prescription Drug List Management Committee has assigned a Prescription Drug Product. **NOTE:** The tier status of a Prescription Drug Product can change periodically, generally quarterly but no more than six times per calendar year, based on the Claims Administrator's Prescription Drug List Management Committee's periodic tiering decisions. When that occurs, your Copayment may change. Please access www.myuhc.com through the Internet, or call the Customer Service number on your ID card for the most up-to-date Copayment information. For Prescription Drug Products at a retail Network Pharmacy, you are responsible for paying the lower of:  
- The applicable Copayment or  
- The Network Pharmacy's Usual and Customary Charge (which includes a dispensing fee and sales tax) for the Prescription Drug Product. For Prescription Drug Products from a home delivery Network Pharmacy, you are responsible for paying the lower of:  
- The applicable Copayment or  
- The Prescription Drug Cost for that Prescription Drug Product. **See the Copayments stated in the Benefit Information table for amounts.** |         |

Section 2: What's Not Covered--Exclusions

Exclusions from coverage listed in the Summary Plan Description apply also to this Rider. In addition, the following exclusions apply:

1. Coverage for Prescription Drug Products for the amount dispensed (days' supply or quantity limit) which exceeds the supply limit.
3. Drugs which are prescribed, dispensed or intended for use while you are an inpatient in a Hospital, Skilled Nursing Facility, or Alternate Facility.
4. Experimental, Investigational or Unproven Services and medications; medications used for experimental indications and/or dosage regimens determined by the Claims Administrator to be experimental, investigational or unproven.
5. Prescription Drug Products furnished by the local, state or federal government. Any Prescription Drug Product to the extent payment or benefits are provided or available from the local, state or federal government (for example, Medicare) whether or not payment or benefits are received, except as otherwise provided by law.
6. Prescription Drug Products for any condition, Injury, Sickness or mental illness arising out of, or in the course of, employment for which benefits are available under any workers' compensation law or other similar laws, whether or not a claim for such benefits is made or payment or benefits are received.
7. Any product dispensed for the purpose of appetite suppression and other weight loss products.
8. A specialty medication Prescription Drug Product (including, but not limited to, immunizations and allergy serum) which, due to its characteristics as determined by the Claims Administrator, must typically be administered or supervised by a qualified provider or licensed/certified health professional in an outpatient setting. This exclusion does not apply to Depo Provera and other injectable drugs used for contraception.
9. Durable Medical Equipment. Prescribed and non-prescribed outpatient supplies, other than the diabetic supplies and inhaler spacers specifically stated as covered.
10. General vitamins, except the following which require a Prescription Order or Refill: prenatal vitamins, vitamins with fluoride, and single entity vitamins.
11. Unit dose packaging of Prescription Drug Products.
12. Medications used for cosmetic purposes.
13. Prescription Drug Products, including New Prescription Drug Products or new dosage forms, that are determined to not be a Covered Health Service.
14. Prescription Drug Products as a replacement for a previously dispensed Prescription Drug Product that was lost, stolen, broken or destroyed.
15. Prescription Drug Products when prescribed to treat infertility.
17. Any prescription medication that must be compounded into its final form by the dispensing pharmacist, Physician, or other health care provider.

To continue reading, go to left column on next page.
18. Drugs available over-the-counter that do not require a Prescription Order or Refill by federal or state law before being dispensed. Any Prescription Drug Product that is therapeutically equivalent to an over-the-counter drug. Prescription Drug Products that are comprised of components that are available in over-the-counter form or equivalent.

19. New Prescription Drug Products and/or new dosage forms until the date they are reviewed and assigned to a tier by the Claims Administrator's Prescription Drug List Management Committee.

20. Growth hormone for children with familial short stature (short stature based upon heredity and not caused by a diagnosed medical condition).
Section 3: Glossary of Defined Terms

This section:
- Defines the terms used throughout this Rider. Other defined terms used throughout this Rider can be found in (Section 10: Glossary of Defined Terms) of your Summary Plan Description.
- Is not intended to describe Benefits.

**Brand-name** - a Prescription Drug Product: (1) which is manufactured and marketed under a trademark or name by a specific drug manufacturer; or (2) that the Claims Administrator identifies as a Brand-name product, based on available data resources including, but not limited to, First DataBank, that classify drugs as either brand or generic based on a number of factors. You should know that all products identified as a "brand name" by the manufacturer, pharmacy, or your Physician may not be classified as Brand-name by the Claims Administrator.

**Generic** - a Prescription Drug Product: (1) that is chemically equivalent to a Brand-name drug; or (2) that the Claims Administrator identifies as a Generic product based on available data resources including, but not limited to, First DataBank, that classify drugs as either brand or generic based on a number of factors. You should know that all products identified as a "generic" by the manufacturer, pharmacy or your Physician may not be classified as a Generic by the Claims Administrator.

**Designated Pharmacy** - a pharmacy that has entered into an agreement on behalf of the pharmacy with the Claims Administrator or with an organization contracting on its behalf, to provide specific Prescription Drug Products. The fact that a pharmacy is a Network Pharmacy does not mean that it is a Designated Pharmacy.

**Network Pharmacy** - a pharmacy that has:
- Entered into an agreement with the Claims Administrator or its designee to provide Prescription Drug Products to Covered Persons.
- Agreed to accept specified reimbursement rates for dispensing Prescription Drug Products.
- Been designated by the Claims Administrator as a Network Pharmacy.

A Network Pharmacy can be either a retail or a home delivery pharmacy.

**New Prescription Drug Product** - a Prescription Drug Product or new dosage form of a previously approved Prescription Drug Product, for the period of time starting on the date the Prescription Drug Product or new dosage form is approved by the FDA, and ending on the earlier of the following dates:
- The date it is assigned to a tier by the Claims Administrator's Prescription Drug List Management Committee.
- December 31st of the following calendar year.

**Predominant Reimbursement Rate** - the amount we will pay to reimburse you for a Prescription Drug Product that is dispensed at a
non-Network Pharmacy. The Predominant Reimbursement Rate for a particular Prescription Drug Product dispensed at a non-Network Pharmacy includes a dispensing fee and sales tax. The Predominant Reimbursement Rate is calculated using the Prescription Drug Cost that applies for that particular Prescription Drug Product at most Network Pharmacies.

**Prescription Drug Cost** - the rate we have agreed to pay Network Pharmacies, including a dispensing fee and any sales tax, for a Prescription Drug Product dispensed at a Network Pharmacy.

**Prescription Drug List** - a list that identifies those Prescription Drug Products for which Benefits are available under this Rider. This list is subject to periodic review and modification (generally quarterly, but no more than six times per calendar year). You may determine to which tier a particular Prescription Drug Product has been assigned through the Internet at [www.myuhc.com](http://www.myuhc.com) or by calling the Customer Service number on your ID card.

**Prescription Drug List Management Committee** - the committee that the Claims Administrator designates for, among other responsibilities, classifying Prescription Drug Products into specific tiers.

**Prescription Drug Product** - a medication, product or device that has been approved by the Food and Drug Administration and that can, under federal or state law, be dispensed only pursuant to a Prescription Order or Refill. A Prescription Drug Product includes a medication that, due to its characteristics, is appropriate for self-administration or administration by a non-skilled caregiver. For the purpose of Benefits under the Plan, this definition includes:

- Inhalers (with spacers).
- Insulin.
- The following diabetic supplies:
  - standard insulin syringes with needles;
  - blood-testing strips - glucose;
  - urine-testing strips - glucose;
  - ketone-testing strips and tablets;
  - lancets and lancet devices;
  - glucose monitors.

**Prescription Order or Refill** - the directive to dispense a Prescription Drug Product issued by a duly licensed health care provider whose scope of practice permits issuing such a directive.

**Usual and Customary Charge** - the usual fee that a pharmacy charges individuals for a Prescription Drug Product without reference to reimbursement to the pharmacy by third parties.

NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION.

PLEASE REVIEW IT CAREFULLY.

The EPC Benefit Plan is required by law to maintain the privacy of your health information and to provide you with this notice to explain how the Plan uses information about you and when information is disclosed to others. You also have rights regarding your health information, which are described in this notice. We are also required to follow the terms of the notice currently in effect.

Organizations Covered by this Notice

This notice applies to the EPC Health Plan. We work with the following Third Party Administrators (TPAs) to administer the plans: United Healthcare and Anthem (medical), CoreSource (dental) and Vision Service Plan (vision). We contract with these organizations – called business associates – to pay your medical claims and provide other health care operations. By contract, we require these business associates to safeguard the privacy of your information.

How the EPC Benefit Plans May Use or Disclose Your Health Information

The following provide examples in each category of how the Plan may use or disclose health information.

For Treatment - We may disclose health information to your doctors or hospitals to help them provide medical care to you.

For Payment – We may use and disclose health information to determine if health care services you received are covered by the plan and to pay claims accordingly, to determine your eligibility for benefits and to coordinate benefits with another plan or insurance company.

For Health Care Operations – We may use or disclose health information to carry out necessary Plan related activities. These may include underwriting, Plan audits, submitting claims for Stop Loss coverage, fraud and abuse detection and general administration. It may also include Care Coordination or discussions with your doctor to suggest a disease management or wellness program that could improve your health.

To Provide Information on Health Related Programs or Products such as alternative medical treatments and programs about health related products and services.

For the Public Benefit – We may use or disclose health information as authorized by law for the following purposes considered to be for the public good:

- For law enforcement purposes
- For public health activities such as reporting disease outbreaks
- For reporting victims of abuse, neglect or domestic violence to government authorities including social service agencies.
- For judicial or administrative proceedings such as in response to a court order, search warrant or subpoena.
- For health oversight activities such as governmental audits and fraud and abuse investigations.
- To organ procurement organizations
- As authorized by state Workers Compensation laws regarding job related injuries.
- To coroners and medical examiners to identify a deceased person or determine cause of death or to funeral directors as necessary.
To Others Involved in Your Health Care – We may disclose your health information to a person involved in your care, such as a family member, when you are incapacitated or in an emergency or unless you object or request a restriction.

If none of the above reasons apply, then we must get your written authorization to use or disclose your health information. If a use or disclosure of health information is prohibited or materially limited by other applicable law, it is our intent to meet the requirements of the more stringent law. You may take back or revoke your written authorization, except if we have already acted based on your authorization.

Your Health Information Rights

Right to Request Restrictions – You have the right to request restrictions on certain uses and disclosures of your health information including the right to ask to restrict disclosures to family members. Please note that while we will try to honor your request, the Plan is not required to agree to your restrictions.

Right to Request Confidential Communications – You have the right to ask to receive confidential communications of information in a different manner or at a different place.

Right to Inspect and Copy – You have the right to see and obtain a copy of your health information such as claims and case or medical management records. You may also receive a summary of this health information. You must make a written request to inspect and copy your health information. In certain limited circumstances, we may deny your request.

Right to Request Amendment – You have the right to request an amendment of information you believe is incorrect or incomplete. If we deny your request, you may have a statement of your disagreement added to your health information.

Right to Accounting of Disclosures – You have the right to an accounting of disclosures made by us. However, we do not have to account for disclosures made for purposes of treatment, payment functions, health care operations, those made to law enforcement officials or those made to you or made following your authorization. Your request must be in writing and should specify a time period of up to 6 years.

Right to Paper Copy of this Notice – You may ask for a paper copy of this notice at any time. You may also obtain a copy of this notice at our website www.epc-online.org.

To exercise any of the rights noted above, please refer to the contact information below.

Changes to this Privacy Notice

The EPC Benefit Plan reserves the right to amend this Notice of Privacy Practices at any time in the future and to make the new Notice provisions effective for all health information that it maintains, provided law permits such changes. We will promptly revise our Notice and distribute it to you whenever we make material changes to the Notice. It will also be posted on our website.

Complaints

If you believe your privacy rights have been violated, you may complain to us or to the Secretary of the Department of Health and Human Services. All complaints must be in writing and submitted to the contact person noted below. You cannot be penalized for filing a complaint.

Effective Date

This notice became effective April 14, 2003 and was amended October 1, 2005.

Women's Health and Cancer Rights Act of 1998

As required by the Women's Health and Cancer Rights Act of 1998, we provide Benefits under the Plan for mastectomy, including reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema).

If you are receiving Benefits in connection with a mastectomy, Benefits are also provided for the following Covered Health Services, as you determine appropriate with your attending Physician:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and treatment of physical complications of the mastectomy, including lymphedema.

The amount you must pay for such Covered Health Services (including Copayments and any Annual Deductible) are the same as are required for any other Covered Health Service. Limitations on Benefits are the same as for any other Covered Health Service.

Statement of Rights under the Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under federal law, restrict Benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the Plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).
