"We were going to do a House Bill 264 project, then Energy Optimizers, USA told us about the OCEPC program. We decided to go with the OCEPC program, **saving \$28,000!** It's great knowing your energy savings provider is also ensuring that they can get you the best product for the best price."

-Bill Blakely, Treasurer, Edgerton Local Schools

Completed Projects

DR. JEFF LEWIS,
Manager of Business
Bellbrook-Sugarcreek Local Schools

"I recommend Energy Optimizers, USA wholeheartedly! The results of our project exceeded our expectations."

ERIC BASSETT, Director of Operations
Hicksville School District

"We've done 2 projects with Energy Optimizers, USA, and both exceeded the promised results of \$29,000 in annual savings."

CHUCK SINCERE, Superintendent
Springfield Local Schools

"Energy Optimizers, USA is completing a HB264 project which will save us \$82,000 annually in energy costs. Highly recommend!"

JOHN BECKEMEYER,
Director of Operations,
Oak Hills Local Schools

"They stand behind their work, never issued a change order, and continue to be engaged long after the projects were completed."

RON KINMON,
Director of Student
Services, Dayton
Independent Schools

"We chose to work with Energy Optimizers, USA because we trust they will provide us with a high-quality project that will achieve the anticipated energy savings."

RICHARD HALL,
Superintendent
Mid-East Career Center

"The lighting project made a huge difference in our facilities. The company is very ethical and honest, and we appreciate our relationship."

DR. STEPHANIE STARCHER,
Superintendent
Fort Frye Local Schools

"We've saved more than \$47,000 a year in electrical savings while improving the facilities. We are very pleased with the results."

DENNIS BLATT,
Superintendent, Washington County Career Center

"The quality of the LED lighting project has been fantastic. I highly recommend this company."
