- PP. Liquidated Damages Clause:
Bidders must recognize that, in the event buses are not delivered to the purchaser on time, then, as a result, the purchasing school district will have problems with its transportation of students and suffer damages, including but not limited to the following: higher repair costs for buses; difficulties in scheduling bus routes and employees for coverage of bus routes; and/or rerouting and double routing buses in the current fleet. Bidders must further understand that, in light of the foregoing difficulties which will arise in the event of late delivery, and the difficulty in determining the actual amount of damages sustained, there will be a liquidated damage of at least \$25.00 per calendar day for each bus not delivered on time.
- QQ. Liquidated Damages Clause: School Bus Unit - 210 days - at least \$25 per day
The successful bidder shall deliver the completed buses to said School District within 210 consecutive calendar days following authorization to proceed, unless an extension of time is granted by the School District. - RR. The time line for establishing when Liquidated Damages start begins on the day the successful bidder receives a purchase order from the school district. School Districts may fax a copy of the purchase order to the successful bidder to begin this time line.
