## What we're all about.

For nearly 40 years, The Motz Group has been committed to leaving a lasting legacy with every field they create. We are synthetic turf specialists, focusing on sports field design, construction, removal, replacement, maintenance and management. We have made our name designing innovative and comprehensive performance-based sports field systems, tailored to our customer's specific needs. As a proud partner of the Association of Educational Purchasing Agencies (AEPA), we build fields from inception to completion with pride, dignity, and the utmost integrity. With quality craftsmanship and proven safety in mind, our team is committed to partnering with you from groundbreak to replacement, guiding you and your staff every step of the way.
