

We are pleased to announce that EPC members now have access to a powerful HR and employment law best practices program – EPC Employment Law Services!

The benefits of this valuable employer HR and risk management resources are numerous and are now included with your membership and participation in the Liability, Fleet & Property Insurance Program. The service complements resources members have locally and supports the ability to be proactive with regard to both day-to-day and complex HR issues, saving your organization significant money and time.

SERVICE BENEFITS

- ❑ Unlimited access to speak directly with employment law attorneys (phone or email) who are experienced in helping to address the issues public employers face and who will answer *specific* questions with documented advice, no later than the end of the next business day
- ❑ Easily-assigned online training courses including sexual harassment prevention for supervisors and employees
- ❑ A state-specific employee handbook building tool to either develop a handbook or individual policies by using a step-by-step guide
- ❑ Live and recorded webinars that focus on topics relevant to today's employers, which can provide HRCI certification credits for those attending live
- ❑ Monthly Express Updates that keep you informed of continuously changing workplace regulations
- ❑ A customizable online web destination which includes practical best practices guides, federal and state news/regulation updates, posters, forms, customizable model job descriptions, and more

Three Next Steps – What You Can Expect
